Re: SB 608
Please support SB 608.

I care because if we stop caring many will suffer in great numbers. The suffering includes forced evictions, homelessness, sickness and dying, starvation, loss of job. But most importantly, mental health of each one of the victims associated with the reasons above. Keep fighting the good fight. Practice over freedoms and speaking our mind is never small. We give in or give up our right to freedom of speech. We need rent down or putting caps on rent.

God bless
