CHAPTER .................................................

AN ACT

Relating to public finance; appropriating money; and declaring an emergency.

Whereas the Seventy-fifth Legislative Assembly finds that taxpayers should be able to easily access the details on how the state is spending their tax dollars and what performance results are achieved for those expenditures; and

Whereas Oregon is currently facing a deep budget shortfall and is seeking efficiencies wherever possible; and

Whereas there currently is no single, easily accessible interactive website that allows taxpayers to track state revenues and expenditures; and

Whereas current technology affords the state an opportunity to provide citizens with a transparent look at the state’s finances; and

Whereas the Oregon Progress Board found in 2008 that only 12 percent of Oregonians could correctly identify both the income tax as Oregon’s largest source of state income and education as the largest General Fund expenditure; and

Whereas future investments in state government information technology should strive for integrated systems and data exchange designed to provide meaningful information to the public, policy makers and state agencies; and

Whereas the Seventy-fifth Legislative Assembly finds that the creation of an interactive website detailing the location, purpose and results of taxpayer investments in state government is beneficial to our state; now, therefore,

Be It Enacted by the People of the State of Oregon:

SECTION 1. As used in sections 1 to 4 of this 2009 Act, “state agency” means any officer, board, commission, department, division or institution of state government, as defined in ORS 174.111. “State agency” does not mean the State Treasurer.
