Measure: SB 730

Seventy-Sixth Oregon Legislative Assembly – 2011 Regular Session
Legislative Fiscal Office

Measure Description:

Eliminates sunset of provision that limits length of incarceration that court may impose when certain probationary sentences are revoked.

Government Unit(s) Affected:

Counties, Department of Corrections, Judicial Department, Public Defense Services Commission, Oregon Criminal Justice Commission

Local Government Mandate:

This bill does not affect local governments' service levels or shared revenues sufficient to trigger Section 15, Article XI of the Oregon Constitution.

Analysis: HB 3508 (2009) limited the length of time of incarceration that a court could impose when certain probationary sentences were revoke. HB 3508 (2009) had a sunset date of July 1, 2011. HB 3508 (2009) resulted in savings of approximately \$9.8 million in the 2009-11 biennium.

The Governor's Recommended Budget (GRB) is based on current law, which sunsets the provision allowing limits of incarceration under certain circumstances. If this bill is passed, the Department of Corrections budget will be reduced by \$9.8 million General Fund to reflect this change of law.

The Oregon Judicial Department reports that the measure will not have a fiscal impact. The Public Defense Services Commission and Counties report a minimal fiscal impact due to the provisions of this bill.
