WHAT THE MEASURE DOES: Provides certain students are entitled to exemption from nonresident tuition and fees at public universities. Specifies demonstration of intent to become citizen or lawful resident consists of application for citizenship or registration with deportation deferral program and application for taxpayer identification or other federal identification. Clarifies students absent from state for more than three years while serving in armed forces qualify for exemption from nonresident tuition. Requires annual report from Oregon University System to Legislative Assembly on number of students exempted and financial impact on system. Allows for direct Supreme Court review of challenge to Act.

ISSUES DISCUSSED:

- History of legislation
- Impact of similar laws in other states
- Psychological barriers to higher education for undocumented students
- Potential interface with federal immigration legislation

EFFECT OF COMMITTEE AMENDMENT: Clarifies demonstration of intent to become citizen or lawful resident consists of application for citizenship or registration with deportation deferral program and application for taxpayer identification or other federal identification. Specifies students absent from state for more than three years while serving in armed forces qualify for exemption from nonresident tuition. Adds requirement for annual report from Oregon University System to Legislative Assembly on number of students exempted and financial impact on system.

BACKGROUND: House Bill 2787-A directs the State Board of Higher Education to exempt students who are not citizens or lawful permanent residents from paying nonresident tuition at state universities if they meet the following criteria:

1. Attendance at an Oregon elementary or high school for three years immediately prior to receiving a high school diploma (or leaving school without receiving a diploma);
2. Attendance at a school in any U.S. state or territory during each of the five years immediately prior to receiving a high school diploma (or leaving school without receiving a diploma);
3. Receipt of a high school diploma from an Oregon school no more than three years prior to initial enrollment in a state university; and
4. Demonstration of intent to become a citizen or lawful permanent resident of the United States.

Previous versions of this measure passed the Senate in both 2003 and 2011.
