# Oregon's Current Waiver: Creating Health System Transformation

## Oregon's Coordinated Care Model

# Key components of renewal

*Build on the foundation, take transformation to the next level*

1. Build on transformation with focus on integration of physical, behavioral, and oral health care through performance.
2. More deeply address social determinants of health and health equity.
  - Housing support services
  - Health-related services
3. Commit to continuing to hold down costs through an integrated budget that grows at a sustainable rate.
4. Continue to expand the coordinated care model.

# Process Going Forward

- Public input and tribal consultation through June 1
  - [Draft waiver application posted for public review](#)
  - Community Survey on waiver priorities  
[www.surveymonkey.com/r/QPW23N](http://www.surveymonkey.com/r/QPW23N)
  - Community, stakeholder, and policy presentations and meetings
- Draft application submitted to CMS mid-June
- Reach a high level agreement with CMS on renewal by fall
- Quickly work through issues and concerns raised by CMS
- Finalize the waiver renewal in early 2017 with implementation beginning July 1, 2017

# Community engagement

As part of our waiver renewal process, Oregon is engaging key communities of interest for input:

- Tribal Leaders in consultation
- Consumer and member advocacy groups
- Hospital and health system leaders
- Coordinated care organization leaders
- Local governments
- Health and health care committees, advisory groups, and workgroups
- Local organizations and non-profits with a stake in key components of the waiver

OHA has participated in more than 75 meetings with stakeholders, community partners, and the public.
