

Let me state for the record that this is a piece of "crap" legislation designed to restrict the rights of regular, law abiding citizens from buying, selling or trading second-hand (used) firearms for various reasons, none of which pose a threat to the rest of the law abiding, regular citizens.

Question: how does SB 941 make me, or my city any safer?

Question: since criminals are, by definition, lawbreakers, how does SB 941 change anything in that equation?

Question: except for the inconvenience and added dollar costs, why should I support SB 941?

Question: since it is now unlawful for a felon to purchase, possess or own a firearm, what does SB 941 do to change that?

Sincerely,
