

This bill will not keep guns out of criminals hands.  
The only ones who will pay any attention are the already law abiding citizens.  
We do not need any more gun laws.  
Enforce the ones we have and leave the rest alone.  
Oregon and the United States do not have a gun problem.  
We are guaranteed the right to own and bare arms under the 2nd amendment.  
Leave it alone.

Yes, we are the highest gun ownership nation in the world.

We are 101 on the list of nations with the most murders.

Those numbers include criminal and non-criminal activities.

It shows that Citiezens of the United States are very responsible and aware or their obligations with guns.
