

opposing SB 941. As an Actual Tax Paying Voter. I feel Betrayed by the Legislative Process. Stealing Oregon Citizens Rights through fast Tracking of Senate bills, is How Corrupt Politicians Get thing done. Attempting to pass Laws that Punish the Honest Tax Payers, While Not Doing the Jobs Needed to be done. Dividing the Population into Battle Groups Is not what Voters Sent You to the Senate For. Senate Bill 941 is an Attack on Common Sense. A Bill that has no Reason to Exist. Kill It. Richard W Baltz 16219 Pine Drop Ln, Lapine Oregon 97739
