

Senator..... Please oppose SB 941! "Universal" background checks do nothing to reduce violent crime, and only affect law-abiding gun owners by imposing cumbersome mandates and restrictions on the lawful purchase and possession of firearms. It is already illegal to knowingly sell or transfer a firearm to someone classified as a prohibited person, and is a felony for a prohibited person to buy, own or possess a firearm. This is an ineffective and unenforceable piece of legislation that will only impact the law abiding. Thanks you for your consideration.
