

TO: Senate Judiciary Committee

I wish to submit testimony AGAINST Senator Prozanski and Senator Burdick attempt to pass SB941.

As a Citizen of the United States and Resident of the State of Oregon,
I have a God given Right of freedom (Lawful and legal) which I will exercise that right to own or pass on any Gun to any family member in my family Genealogy as far up that ladder as I wish to go without any hindrance of Senate Bill 941 which appears to only exempt immediate family members. And further I will not allow a socialist (communist type) Government to have a convictable type list of any family member.

Signed:

Alfred Hansen
