

I am opposed to Senate Bill 941. I am very much a "liberal Portlander" in most attitudes, but I do not believe a web of laws is going to impress or deter outlaws....and in the meantime, those of us who actually enjoy firearms as precision mechanisms, collectibles, and for, in my case, target shooting, are going to be forced to spend time and pay money to stand before a gun dealer in order to purchase or sell private property. Let us enforce the laws we already have, and work to get at the fundamental human & societal issues that cause people to misuse firearms.

Thanks so much
