House Bill 2187

Introduced and printed pursuant to House Rule 12.00. Presession filed (at the request of House Interim Committee on Energy and Environment)

CHAPTER ..................................................

AN ACT

Relating to ocean energy.

Be It Enacted by the People of the State of Oregon:

SECTION 1. The Legislative Assembly finds and declares that, consistent with the transmission planning requirements provided for by the Federal Energy Regulatory Commission, it shall be the policy position of the State of Oregon that any regional transmission planning processes conducted for the transmission planning regions that wholly or partly encompass any areas of this state shall adequately consider the transmission of electricity from ocean renewable energy generated within Oregon’s territorial sea, as defined in ORS 196.405, or within adjacent federal waters.
