However, if the federal bureau policy authorizing return or destruction of the fingerprint cards is changed, a district shall cease to cause the cards to be sent to the federal bureau but shall continue to process the information through other available resources.

(6) If the Federal Bureau of Investigation returns the fingerprint cards to the Department of State Police, the department shall destroy the fingerprint cards and shall retain no facsimiles or other material from which a fingerprint can be reproduced.

*[(C) Necessary to support a claim or defense related to denying employment to the subject individual.]*

*[(10) A district shall establish by resolution a process by which a subject individual may appeal the determination that the subject individual is disqualified for a position or employment pursuant to this section. Records maintained under this subsection for subject individuals are confidential and may not be disseminated except for the purposes of this section and in accordance with the relevant resolutions of the district. Nothing in this subsection permits a district to retain fingerprint cards of subject individuals.

[(g)] (e) Specifying when a district, in lieu of conducting a completely new criminal records check, may proceed to make a fitness determination under this section using the information maintained by the district under subsection [(11)] (10) of this section; and

[(h)] (f) Determining when a subject individual may be hired on a probationary basis pending a criminal records check[. At a minimum], **provided that** if there is any indication of criminal behavior by the subject individual, the resolution must require that, if the individual is hired, the individual can be hired only on a probationary basis and must be actively supervised at all times when the individual is in contact with children, the elderly or persons with disabilities.

[(13)] (12) Criminal offender information is confidential. The Department of State Police shall adopt rules to restrict dissemination of information received under this section to persons with a demonstrated and legitimate need to know the information. Any district receiving information pursuant to this section is bound by the rules of disclosure adopted by the department.

[(14)] (13) If a subject individual refuses to consent to the criminal records check or refuses to be fingerprinted, the district or qualified entity shall deny or terminate the employment of the individual, or revoke or deny any applicable position, authority to provide services or employment.

[(15)] (14) A district shall define by resolution the conditions under which subject individuals may participate in training, orientation and work activities pending completion of a criminal records check through the Law Enforcement Data System or nationwide criminal records check. At a minimum, subject individuals shall be actively supervised at all times that they are in contact with children, the elderly and persons with disabilities during such periods of training, orientation and work. Subject individuals may continue probationary employment while awaiting the nationwide criminal records check as long as the individual's criminal records check through the Law Enforcement Data System did not result in disqualification and there are no other indications of criminal behavior.

[(16)] (15) If a district or a qualified entity requires a criminal records check of employees or other persons, the application forms of the district or qualified entity must contain a notice that employment is subject to fingerprinting and a criminal records check as required by this section.
