(b) Materially alter the stability of the overall land use pattern in the area; or

(c) Create conditions or circumstances that the county determines would be contrary to the purposes or intent of its acknowledged comprehensive plan or land use regulations.

(3) To qualify for a credit under this section, all of the following are required:

particular year may be carried forward and offset against the taxpayer’s tax liability for the next
succeeding tax year. Any credit remaining unused in the next succeeding tax year may be carried
forward and used in the second succeeding tax year, and likewise any credit not used in that second
succeeding tax year may be carried forward and used in the third succeeding tax year, and any

year by a foreign country.

(2) The deduction for foreign country income taxes provided by this section shall be limited as
follows:
(a) Except as provided in paragraph (b) of this subsection, the sum of foreign country income

(C)(i) For purposes of subparagraph (A) of this paragraph for tax years beginning on or after January 1, 2003, the Department of Revenue shall annually recompute the basic standard deduction for each category of return filer listed under subparagraph (B) of this paragraph. The basic standard deduction shall be computed by dividing the monthly averaged U.S. City Average Consumer Price Index for the 12 consecutive months ending August 31 of the prior calendar year by the average U.S. City Average Consumer Price Index for the second quarter of 2002, then multiplying that quotient by the amount listed under subparagraph (B) of this paragraph for each category of return filer.

(ii) If any change in the maximum household income determined under this subparagraph is not a multiple of $5, the increase shall be rounded to the next lower multiple of $5.

(iii) As used in this subparagraph, “U.S. City Average Consumer Price Index” means the U.S. City Average Consumer Price Index for All Urban Consumers (All Items) as published by the Bureau of Labor Statistics of the United States Department of Labor.

(D) For purposes of subparagraph (A) of this paragraph, the additional standard deduction is the sum of each additional amount to which the taxpayer is entitled under subsection (7) of this section.

(E) As used in subparagraph (B) of this paragraph, “surviving spouse” and “head of household” have the meanings given those terms in section 2 of the Internal Revenue Code.

(F) In the case of the following, the standard deduction referred to in subparagraph (A) of this paragraph shall be zero:

(i) [A husband or wife] One of the spouses in a legally recognized marriage filing a separate return where the other spouse has claimed itemized deductions under subparagraph (A) of this paragraph;

(ii) A nonresident alien individual;

(iii) An individual making a return for a period of less than 12 months on account of a change in the individual’s annual accounting period;

(iv) An estate or trust;

(v) A common trust fund; or

(vi) A partnership.

(d) For the purposes of paragraph (c)(A) of this subsection, the taxpayer’s itemized deductions are the amount of the taxpayer’s itemized deductions as defined in section 63(d) of the Internal Revenue Code (reduced, if applicable, as described under section 68 of the Internal Revenue Code) minus the deduction for Oregon income tax (reduced, if applicable, by the proportion that the reduction in federal itemized deductions resulting from section 68 of the Internal Revenue Code bears to the amount of federal itemized deductions as defined for purposes of section 68 of the Internal Revenue Code).

(2)(a) There shall be subtracted from federal taxable income any portion of the distribution of a pension, profit-sharing, stock bonus or other retirement plan, representing that portion of contributions which were taxed by the State of Oregon but not taxed by the federal government under laws in effect for tax years beginning prior to January 1, 1969, or for any subsequent year in which the amount that was contributed to the plan under the Internal Revenue Code was greater than the amount allowed under this chapter.

(b) Interest or other earnings on any excess contributions of a pension, profit-sharing, stock bonus or other retirement plan not permitted to be deducted under paragraph (a) of this subsection may not be added to federal taxable income in the year earned by the plan and may not be subtracted from federal taxable income in the year received by the taxpayer.
(3)(a) Except as provided in subsection (4) of this section, there shall be added to federal taxable income the amount of any federal income taxes in excess of the amount provided in paragraphs (b) to (d) of this subsection, accrued by the taxpayer during the tax year as described in ORS 316.685, less the amount of any refund of federal taxes previously accrued for which a tax benefit was received.

(b) The limits applicable to this subsection are:

(A) $5,500, if the federal adjusted gross income of the taxpayer for the tax year is less than $125,000, or, if reported on a joint return, less than $250,000.

(B) $4,400, if the federal adjusted gross income of the taxpayer for the tax year is $125,000 or more and less than $130,000, or, if reported on a joint return, $250,000 or more and less than $260,000.

(C) $3,300, if the federal adjusted gross income of the taxpayer for the tax year is $130,000 or more and less than $135,000, or, if reported on a joint return, $260,000 or more and less than $270,000.

(D) $2,200, if the federal adjusted gross income of the taxpayer for the tax year is $135,000 or more and less than $140,000, or, if reported on a joint return, $270,000 or more and less than $280,000.

(E) $1,100, if the federal adjusted gross income of the taxpayer for the tax year is $140,000 or more and less than $145,000, or, if reported on a joint return, $280,000 or more and less than $290,000.

(c) If the federal adjusted gross income of the taxpayer is $145,000 or more for the tax year, or, if reported on a joint return, $290,000 or more, the limit is zero and the taxpayer is not allowed a subtraction for federal income taxes under ORS 316.680 (1) for the tax year.

(d) In the case of [a husband and wife] spouses in a legally recognized marriage filing separate tax returns, the amount added shall be in the amount of any federal income taxes in excess of 50 percent of the amount provided for individual taxpayers under paragraphs (a) to (c) of this subsection, less the amount of any refund of federal taxes previously accrued for which a tax benefit was received.

(e) For purposes of this subsection, the limits applicable to a joint return shall apply to a head of household or a surviving spouse, as defined in section 2(a) and (b) of the Internal Revenue Code.

(f)(A) For a calendar year beginning on or after January 1, 2008, the Department of Revenue shall make a cost-of-living adjustment to the federal income tax threshold amounts described in paragraphs (b) and (d) of this subsection.

(B) The cost-of-living adjustment for a calendar year is the percentage by which the monthly averaged U.S. City Average Consumer Price Index for the 12 consecutive months ending August 31 of the prior calendar year exceeds the monthly averaged index for the period beginning September 1, 2005, and ending August 31, 2006.

(C) As used in this paragraph, “U.S. City Average Consumer Price Index” means the U.S. City Average Consumer Price Index for All Urban Consumers (All Items) as published by the Bureau of Labor Statistics of the United States Department of Labor.

(D) If any adjustment determined under subparagraph (B) of this paragraph is not a multiple of $50, the adjustment shall be rounded to the next lower multiple of $50.

(E) The adjustment shall apply to all tax years beginning in the calendar year for which the adjustment is made.

(4)(a) In addition to the adjustments required by ORS 316.130, a full-year nonresident individual
shall add to taxable income a proportion of any accrued federal income taxes as computed under ORS 316.685 in excess of the amount provided in subsection (3) of this section in the proportion provided in ORS 316.117.

(b) In the case of [a husband and wife] spouses in a legally recognized marriage filing separate tax returns, the amount added under this subsection shall be computed in a manner consistent with the computation of the amount to be added in the case of [a husband and wife] spouses in a legally recognized marriage filing separate returns under subsection (3) of this section. The method of computation shall be determined by the Department of Revenue by rule.

(5) Subsections (3)(d) and (4)(b) of this section shall not apply to married individuals living apart as defined in section 7703(b) of the Internal Revenue Code.

(6)(a) For tax years beginning on or after January 1, 1981, and prior to January 1, 1983, income or loss taken into account in determining federal taxable income by a shareholder of an S corporation pursuant to sections 1373 to 1375 of the Internal Revenue Code shall be adjusted for purposes of determining Oregon taxable income, to the extent that as income or loss of the S corporation, they were required to be adjusted under the provisions of ORS chapter 317.

(b) For tax years beginning on or after January 1, 1983, items of income, loss or deduction taken into account in determining federal taxable income by a shareholder of an S corporation pursuant to sections 1366 to 1368 of the Internal Revenue Code shall be adjusted for purposes of determining Oregon taxable income, to the extent that as items of income, loss or deduction of the shareholder the items are required to be adjusted under the provisions of this chapter.

(c) The tax years referred to in paragraphs (a) and (b) of this subsection are those of the S corporation.

(d) As used in paragraph (a) of this subsection, an S corporation refers to an electing small business corporation.

(7)(a) The taxpayer shall be entitled to an additional amount, as referred to in subsection (1)(c)(A) and (D) of this section, of $1,000:

(A) For the taxpayer if the taxpayer has attained age 65 before the close of the taxpayer's tax year; and

(B) For the spouse of the taxpayer if the spouse has attained age 65 before the close of the tax year and an additional exemption is allowable to the taxpayer for such spouse for federal income tax purposes under section 151(b) of the Internal Revenue Code.

(b) The taxpayer shall be entitled to an additional amount, as referred to in subsection (1)(c)(A) and (D) of this section, of $1,000:

(A) For the taxpayer if the taxpayer is blind at the close of the tax year; and

(B) For the spouse of the taxpayer if the spouse is blind as of the close of the tax year and an additional exemption is allowable to the taxpayer for such spouse for federal income tax purposes under section 151(b) of the Internal Revenue Code. For purposes of this subparagraph, if the spouse dies during the tax year, the determination of whether such spouse is blind shall be made immediately prior to death.

(c) In the case of an individual who is not married and is not a surviving spouse, paragraphs (a) and (b) of this subsection shall be applied by substituting “$1,200” for “$1,000.”

(d) For purposes of this subsection, an individual is blind only if the individual’s central visual acuity does not exceed 20/200 in the better eye with correcting lenses, or if the individual’s visual acuity is greater than 20/200 but is accompanied by a limitation in the fields of vision such that the widest diameter of the visual field subtends an angle no greater than 20 degrees.
(8) In the case of an individual with respect to whom a deduction under section 151 of the Internal Revenue Code is allowable for federal income tax purposes to another taxpayer for a tax year beginning in the calendar year in which the individual’s tax year begins, the basic standard deduction (referred to in subsection (1)(c)(B) of this section) applicable to such individual for such individual’s tax year shall equal the lesser of:

(a) The amount allowed to the individual under section 63(c)(5) of the Internal Revenue Code for federal income tax purposes for the tax year for which the deduction is being claimed; or

(b) The amount determined under subsection (1)(c)(B) of this section.

SECTION 54. ORS 408.730 is amended to read:

408.730. (1) The commander or executive head of any veterans organization organized under a charter issued by an Act of Congress, proposing to undertake the relief provided for in ORS 408.720, shall file with the county clerk of the county in which the veterans organization may be situated, the names of its commander or executive head and its relief committee, if any. The commander or executive head shall also file a notice in writing that such veterans organization will undertake the relief of the indigent persons provided for in ORS 408.720, and by the fourth Monday in January of each year shall file with the county clerk a similar notice, and render and file a detailed statement of the relief furnished during the preceding year, including the amount thereof, the names of the persons to whom furnished and on whose recommendation, and such other facts and suggestions as are deemed material.

The amount of the bond shall be fixed by the court, judge or board. It shall run to the county, and be conditioned by stating that if said commander or executive head faithfully applies all funds that come into the hands of the commander or executive head for that purpose, to the relief of the indigent persons named in ORS 408.720, it is void. If the bond is enforced there shall be recovered from the principal and sureties thereon the amount which is found to be misappropriated, which shall be paid into the county treasury.

(3) If the county operates on a fiscal year ending on June 30, the notice, statement and bond required by this section may be filed on the fourth Monday in July of each year rather than on the fourth Monday of January. If the statement required by subsection (1) of this section is filed at the time provided in this subsection, this statement shall cover the preceding fiscal year.

(4) On the approval and filing of the bond, and on the recommendation of the relief committee of any such veterans organization, orders shall be drawn in favor of the commander or executive head in the same manner as orders are now drawn for the relief of the poor. The orders shall designate thereon the names of the persons for whom the relief is intended and, in like manner, a sum not exceeding $100 may be drawn to pay the funeral expenses of an indigent veteran, and the indigent [wives, widows and the] spouses and surviving spouses in legally recognized marriages and minor children of such veterans.

SECTON 56. ORS 419B.040 is amended to read:

(2) In any judicial proceedings resulting from a report made pursuant to ORS 419B.010 to 419B.050, either spouse shall be a competent and compellable witness against the other.

432.088. (1) A report of live birth for each live birth that occurs in this state shall be submitted to the Center for Health Statistics, or as otherwise directed by the State Registrar of the Center for Health Statistics, within five calendar days after the live birth and shall be registered if the report has been completed and filed in accordance with this section.

(2) The physician, institution or other person providing prenatal care related to a live birth shall provide prenatal care information as required by the state registrar by rule to the institution where the delivery is expected to occur not less than 30 calendar days prior to the expected delivery date.

(3) When a live birth occurs in an institution or en route to an institution, the person in charge of the institution or an authorized designee shall obtain all data required by the state registrar, prepare the report of live birth, certify either by signature or electronic signature that the child was born alive at the place and time and on the date stated and submit the report as described in subsection (1) of this section.

(4) In obtaining the information required for the report of live birth, an institution shall use information gathering procedures provided or approved by the state registrar. Institutions may establish procedures to transfer, electronically or otherwise, information required for the report from other sources, provided that the procedures are reviewed and approved by the state registrar prior to the implementation of the procedures to ensure that the information being transferred is the same as the information being requested.

(5)(a) When a live birth occurs outside an institution, the information for the report of live birth shall be submitted within five calendar days of the live birth in a format adopted by the state registrar by rule in the following order of priority:

(E) By the father, the mother or, in the absence of the father and the inability of the mother, the person in charge of the premises where the live birth occurred.

(b) The state registrar may establish by rule the manner of submitting the information for the report of live birth by a person described in paragraph (a)(D) of this subsection or a physician or licensed direct entry midwife who attends the birth of his or her own child, grandchild, niece or nephew.

(6) When a report of live birth is submitted that does not include the minimum acceptable documentation required by this section or any rules adopted under this section, or when the state registrar has cause to question the validity or adequacy of the documentation, the state registrar, in the state registrar’s discretion, may refuse to register the live birth and shall enter an order to that effect stating the reasons for the action. The state registrar shall advise the applicant of the right to appeal under ORS 183.484.

(7) When a live birth occurs on a moving conveyance:

(a) Within the United States and the child is first removed from the conveyance in this state, the live birth shall be registered in this state and the place where it is first removed shall be considered the place of live birth.

(b) While in international waters or air space or in a foreign country or its air space and the child is first removed from the conveyance in this state, the birth shall be registered in this state but the report of live birth shall show the actual place of birth insofar as can be determined.

(8) For purposes of making a report of live birth and live birth registration, the woman who gives live birth is the live birth mother. If a court of competent jurisdiction determines that a woman other than the live birth mother is the biological or genetic mother, the court may order the state registrar to amend the record of live birth. The record of live birth shall then be placed under seal.

(b) If the mother is not married at the time of either conception or live birth, or within 300 days before the live birth, the name of the [father] parent shall not be entered on the report of live birth unless a voluntary acknowledgment of paternity form or other form prescribed under ORS 432.098 is:

(c) If the mother is a partner in a domestic partnership registered by the state at the time of either conception or live birth, or between conception and live birth, the name of the mother’s partner shall be entered on the report of live birth as a parent of the child, unless parentage has been determined otherwise by a court of competent jurisdiction.

(d) In any case in which paternity of a child is determined by a court of competent jurisdiction, or by an administrative determination of paternity, the Center for Health Statistics shall enter the name of the [father] parent on the new record of live birth. The Center for Health Statistics shall change the surname of the child if so ordered by the court or, in a proceeding under ORS 416.430, by the administrator as defined in ORS 25.010.

(e) If a biological parent is not named on the report of live birth, information other than the
identity of the biological parent may be entered on the report.

(10) A parent of the child, or other informant as determined by the state registrar by rule, shall verify the accuracy of the personal data to be entered on a report of live birth in time to permit submission of the report within the five calendar days of the live birth.

(11) A report of live birth submitted after five calendar days, but within one year after the date of live birth, shall be registered in the manner prescribed in this section. The record shall not be marked “Delayed.”

(12) The state registrar may require additional evidence in support of the facts of live birth.

SECTION 58. ORS 496.146 is amended to read:

496.146. In addition to any other duties or powers provided by law, the State Fish and Wildlife Commission:

(1) May accept, from whatever source, appropriations, gifts or grants of money or other property for the purposes of wildlife management, and use such money or property for wildlife management purposes.

(2) May sell or exchange property owned by the state and used for wildlife management purposes when the commission determines that such sale or exchange would be advantageous to the state wildlife policy and management programs.

(3) May acquire, introduce, propagate and stock wildlife species in such manner as the commission determines will carry out the state wildlife policy and management programs.

(4) May by rule authorize the issuance of such licenses, tags and permits for angling, taking, hunting and trapping and may prescribe such tagging and sealing procedures as the commission determines necessary to carry out the provisions of the wildlife laws or to obtain information for use in wildlife management. Permits issued pursuant to this subsection may include special hunting permits for a person and immediate family members of the person to hunt on land owned by that person in areas where permits for deer or elk are limited by quota. As used in this subsection, “immediate family members” means [husband, wife, father, mother,] spouses in a legally recognized marriage, parents, brothers, brothers-in-law, sisters, sisters-in-law, sons, daughters, stepchildren and grandchildren. A landowner who is qualified to receive landowner preference tags from the commission may request two additional tags for providing public access and two additional tags for wildlife habitat programs. This request shall be made to the Access and Habitat Board with supporting evidence that the access is significant and the habitat programs benefit wildlife. The board may recommend that the commission grant the request. When a landowner is qualified under landowner preference rules adopted by the commission and receives a controlled hunt tag for that unit or a landowner preference tag for the landowner’s property and does not use the tag during the regular season, the landowner may use that tag to take an antlerless animal, when approved by the State Department of Fish and Wildlife, to alleviate damage that is presently occurring to the landowner’s property.

(5) May by rule prescribe procedures requiring the holder of any license, tag or permit issued pursuant to the wildlife laws to keep records and make reports concerning the time, manner and place of taking wildlife, the quantities taken and such other information as the commission determines necessary for proper enforcement of the wildlife laws or to obtain information for use in wildlife management.

(6) May establish special hunting and angling areas or seasons in which only persons less than 18 years of age or over 65 years of age are permitted to hunt or angle.

(7) May acquire by purchase, lease, agreement or gift real property and all appropriate interests
therein for wildlife management and wildlife-oriented recreation purposes.

(8) May acquire by purchase, lease, agreement, gift, exercise of eminent domain or otherwise real property and all interests therein and establish, operate and maintain thereon public hunting areas.

(9) May establish and develop wildlife refuge and management areas and prescribe rules governing the use of such areas and the use of wildlife refuge and management areas established and developed pursuant to any other provision of law.

(10) May by rule prescribe fees for licenses, tags, permits and applications issued or required pursuant to the wildlife laws, and user charges for angling, hunting or other recreational uses of lands owned or managed by the commission, unless such fees or user charges are otherwise prescribed by law. Except for licenses issued pursuant to subsection (14) of this section, no fee or user charge prescribed by the commission pursuant to this subsection shall exceed $100.

(11) May enter into contracts with any person or governmental agency for the development and encouragement of wildlife research and management programs and projects.

(12) May perform such acts as may be necessary for the establishment and implementation of cooperative wildlife management programs with agencies of the federal government.

(13) May offer and pay rewards for the arrest and conviction of any person who has violated any of the wildlife laws. No such reward shall exceed $100 for any one arrest and conviction.

(14) May by rule prescribe fees for falconry licenses issued pursuant to the wildlife laws, unless such fees are otherwise prescribed by law. Fees prescribed by the commission pursuant to this subsection shall be based on actual or projected costs of administering falconry regulations and shall not exceed $250.

(15) May establish special fishing and hunting seasons and bag limits applicable only to persons with disabilities.

(16) May adopt optimum populations for deer and elk consistent with ORS 496.012. These population levels shall be reviewed at least once every five years.

(17) Shall establish a preference system so that individuals who are unsuccessful in controlled hunt permit drawings for deer and elk hunting have reasonable assurance of success in those drawings in subsequent years. In establishing the preference system, the commission shall consider giving additional preference points to persons who have been issued a resident pioneer hunting license pursuant to ORS 497.102.

(18) May sell advertising in State Department of Fish and Wildlife publications, including annual hunting and angling regulation publications.

(19) May, notwithstanding the fees required by ORS 497.112, provide free hunting tags to an organization that sponsors hunting trips for terminally ill children.

(20) Shall, after consultation with the State Department of Agriculture, adopt rules prohibiting the use of the World Wide Web, other Internet protocols or broadcast or closed circuit media to remotely control a weapon for the purpose of hunting any game bird, wildlife, game mammal or other mammal. The rules may exempt the State Department of Fish and Wildlife or agents of the department from the prohibition.

(21) May adopt rules establishing a schedule of civil penalties, not to exceed $6,500 per violation, for violations of provisions of the wildlife laws or rules adopted by the commission under the wildlife laws. Civil penalties established under this subsection must be imposed in the manner provided by ORS 183.745 and must be deposited in the State Wildlife Fund established under ORS 496.300.
(22) May by rule impose a surcharge not to exceed $25 for the renewal of a hunting license on any person who fails to comply with mandatory hunting reporting requirements. Amounts collected as surcharges under this subsection must be deposited in the State Wildlife Fund established under ORS 496.300.

(23) May by rule establish annual and daily Columbia Basin salmon, steelhead and sturgeon recreational fishing endorsements with a fee not to exceed $9.75 per annual license and $1 per day per daily license. An endorsement is required to fish for salmon, steelhead or sturgeon in the Columbia Basin and is in addition to and not in lieu of angling licenses and tags required under the wildlife laws. Amounts collected as fees under this subsection must be deposited in the Columbia River Fisheries Enhancement Fund established under section 7, chapter 672, Oregon Laws 2013.

(24) May by rule establish multiyear licenses and may prescribe fees for such licenses. Fees prescribed by the commission for multiyear licenses may provide for a discount from the annual license fees that would otherwise be payable for the period of time covered by the multiyear license.

SECTION 59. ORS 496.146, as amended by section 10, chapter 672, Oregon Laws 2013, is amended to read:

496.146. In addition to any other duties or powers provided by law, the State Fish and Wildlife Commission:

(1) May accept, from whatever source, appropriations, gifts or grants of money or other property for the purposes of wildlife management, and use such money or property for wildlife management purposes.

(2) May sell or exchange property owned by the state and used for wildlife management purposes when the commission determines that such sale or exchange would be advantageous to the state wildlife policy and management programs.

(3) May acquire, introduce, propagate and stock wildlife species in such manner as the commission determines will carry out the state wildlife policy and management programs.

(4) May by rule authorize the issuance of such licenses, tags and permits for angling, taking, hunting and trapping and may prescribe such tagging and sealing procedures as the commission determines necessary to carry out the provisions of the wildlife laws or to obtain information for use in wildlife management. Permits issued pursuant to this subsection may include special hunting permits for a person and immediate family members of the person to hunt on land owned by that person in areas where permits for deer or elk are limited by quota. As used in this subsection, “immediate family members” means [husband, wife, father, mother,] spouses in a legally recognized marriage, parents, brothers, brothers-in-law, sisters, sisters-in-law, sons, daughters, stepchildren and grandchildren. A landowner who is qualified to receive landowner preference tags from the commission may request two additional tags for providing public access and two additional tags for wildlife habitat programs. This request shall be made to the Access and Habitat Board with supporting evidence that the access is significant and the habitat programs benefit wildlife. The board may recommend that the commission grant the request. When a landowner is qualified under landowner preference rules adopted by the commission and receives a controlled hunt tag for that unit or a landowner preference tag for the landowner’s property and does not use the tag during the regular season, the landowner may use that tag to take an antlerless animal, when approved by the State Department of Fish and Wildlife, to alleviate damage that is presently occurring to the landowner’s property.

(5) May by rule prescribe procedures requiring the holder of any license, tag or permit issued pursuant to the wildlife laws to keep records and make reports concerning the time, manner and

mines necessary for proper enforcement of the wildlife laws or to obtain information for use in
wildlife management.

(6) May establish special hunting and angling areas or seasons in which only persons less than
18 years of age or over 65 years of age are permitted to hunt or angle.

(7) May acquire by purchase, lease, agreement or gift real property and all appropriate interests
therein for wildlife management and wildlife-oriented recreation purposes.

(8) May acquire by purchase, lease, agreement, gift, exercise of eminent domain or otherwise
real property and all interests therein and establish, operate and maintain thereon public hunting
areas.

(9) May establish and develop wildlife refuge and management areas and prescribe rules gov-
erning the use of such areas and the use of wildlife refuge and management areas established and
developed pursuant to any other provision of law.

(10) May by rule prescribe fees for licenses, tags, permits and applications issued or required
pursuant to the wildlife laws, and user charges for angling, hunting or other recreational uses of
lands owned or managed by the commission, unless such fees or user charges are otherwise pre-
scribed by law. Except for licenses issued pursuant to subsection (14) of this section, no fee or user
charge prescribed by the commission pursuant to this subsection shall exceed $100.

(11) May enter into contracts with any person or governmental agency for the development and
encouragement of wildlife research and management programs and projects.

(12) May perform such acts as may be necessary for the establishment and implementation of

any of the wildlife laws. No such reward shall exceed $100 for any one arrest and conviction.

(14) May by rule prescribe fees for falconry licenses issued pursuant to the wildlife laws, unless

(17) Shall establish a preference system so that individuals who are unsuccessful in controlled
hunt permit drawings for deer and elk hunting have reasonable assurance of success in those

giving additional preference points to persons who have been issued a resident pioneer hunting li-

(20) Shall, after consultation with the State Department of Agriculture, adopt rules prohibiting
the use of the World Wide Web, other Internet protocols or broadcast or closed circuit media to
remotely control a weapon for the purpose of hunting any game bird, wildlife, game mammal or
other mammal. The rules may exempt the State Department of Fish and Wildlife or agents of the
department from the prohibition.

(21) May adopt rules establishing a schedule of civil penalties, not to exceed $6,500 per violation, for violations of provisions of the wildlife laws or rules adopted by the commission under the wildlife laws. Civil penalties established under this subsection must be imposed in the manner provided by ORS 183.745 and must be deposited in the State Wildlife Fund established under ORS 496.300.

(22) May by rule impose a surcharge not to exceed $25 for the renewal of a hunting license on any person who fails to comply with mandatory hunting reporting requirements. Amounts collected as surcharges under this subsection must be deposited in the State Wildlife Fund established under ORS 496.300.

(23) May by rule establish multiyear licenses and may prescribe fees for such licenses. Fees prescribed by the commission for multiyear licenses may provide for a discount from the annual license fees that would otherwise be payable for the period of time covered by the multiyear license.

(2) “Beneficiary” means an injured worker, and the [husband, wife] spouse in a legally recognized marriage, child or dependent of a worker, who is entitled to receive payments under this chapter. “Beneficiary” does not include:

(a) A spouse of an injured worker living in a state of abandonment for more than one year at the time of the injury or subsequently. A spouse who has lived separate and apart from the worker for a period of two years and who has not during that time received or attempted by process of law to collect funds for support or maintenance is considered living in a state of abandonment.

(b) A person who intentionally causes the compensable injury to or death of an injured worker.

(3) “Board” means the Workers’ Compensation Board.

(4) “Carrier-insured employer” means an employer who provides workers’ compensation coverage with the State Accident Insurance Fund Corporation or an insurer authorized under ORS chapter 731 to transact workers’ compensation insurance in this state.

(5) “Child” includes a posthumous child, a child legally adopted prior to the injury, a child toward whom the worker stands in loco parentis, a child born out of wedlock and a stepchild, if such stepchild was, at the time of the injury, a member of the worker’s family and substantially dependent upon the worker for support. A dependent child who is an invalid is a child, for purposes of benefits, regardless of age, so long as the child was an invalid at the time of the accident and thereafter remains an invalid substantially dependent on the worker for support. For purposes of this chapter, a dependent child who is an invalid is considered to be a child under 18 years of age.

(6) “Claim” means a written request for compensation from a subject worker or someone on the worker’s behalf, or any compensable injury of which a subject employer has notice or knowledge.

(7)(a) A “compensable injury” is an accidental injury, or accidental injury to prosthetic appliances, arising out of and in the course of employment requiring medical services or resulting in disability or death; an injury is accidental if the result is an accident, whether or not due to accidental means, if it is established by medical evidence supported by objective findings, subject to the following limitations:

(A) No injury or disease is compensable as a consequence of a compensable injury unless the compensable injury is the major contributing cause of the consequential condition.
(B) If an otherwise compensable injury combines at any time with a preexisting condition to cause or prolong disability or a need for treatment, the combined condition is compensable only if, so long as and to the extent that the otherwise compensable injury is the major contributing cause of the disability of the combined condition or the major contributing cause of the need for treatment of the combined condition.

(b) “Compensable injury” does not include:

(A) Injury to any active participant in assaults or combats which are not connected to the job assignment and which amount to a deviation from customary duties;

(B) Injury incurred while engaging in or performing, or as the result of engaging in or performing, any recreational or social activities primarily for the worker's personal pleasure; or

(C) Injury the major contributing cause of which is demonstrated to be by a preponderance of the evidence the injured worker's consumption of alcoholic beverages or the unlawful consumption of any controlled substance, unless the employer permitted, encouraged or had actual knowledge of such consumption.

(c) A “disabling compensable injury” is an injury which entitles the worker to compensation for disability or death. An injury is not disabling if no temporary benefits are due and payable, unless there is a reasonable expectation that permanent disability will result from the injury.

(d) A “nondisabling compensable injury” is any injury which requires medical services only.

(8) “Compensation” includes all benefits, including medical services, provided for a compensable injury to a subject worker or the worker’s beneficiaries by an insurer or self-insured employer pursuant to this chapter.

Unless otherwise provided by treaty, aliens not residing within the United States at the time of the accident other than [father, mother, husband, wife] parent, spouse in a legally recognized marriage or children are not included within the term “dependent.”

(11) “Director” means the Director of the Department of Consumer and Business Services.

(12) (a) “Doctor” or “physician” means a person duly licensed to practice one or more of the healing arts in any country or in any state, territory or possession of the United States within the limits of the license of the licentiate.

(b) Except as otherwise provided for workers subject to a managed care contract, “attending physician” means a doctor, physician or physician assistant who is primarily responsible for the treatment of a worker’s compensable injury and who is:

(B) For a cumulative total of 60 days from the first visit on the initial claim or for a cumulative total of 18 visits, whichever occurs first, to any of the medical service providers listed in this subparagraph, a:

(d) “Consulting physician” means a doctor or physician who examines a worker or the worker’s medical record to advise the attending physician or nurse practitioner authorized to provide compensable medical services under ORS 656.245 regarding treatment of a worker’s compensable injury.
(13)(a) “Employer” means any person, including receiver, administrator, executor or trustee, and the state, state agencies, counties, municipal corporations, school districts and other public corporations or political subdivisions, who contracts to pay a remuneration for and secures the right to direct and control the services of any person.
(b) Notwithstanding paragraph (a) of this subsection, for purposes of this chapter, the client of a temporary service provider is not the employer of temporary workers provided by the temporary service provider.
(c) As used in paragraph (b) of this subsection, “temporary service provider” has the meaning for that term provided in ORS 656.850.
(14) “Insurer” means the State Accident Insurance Fund Corporation or an insurer authorized under ORS chapter 731 to transact workers’ compensation insurance in this state or an assigned claims agent selected by the director under ORS 656.054.

(20) “Palliative care” means medical service rendered to reduce or moderate temporarily the intensity of an otherwise stable medical condition, but does not include those medical services rendered to diagnose, heal or permanently alleviate or eliminate a medical condition.
(21) “Party” means a claimant for compensation, the employer of the injured worker at the time of injury and the insurer, if any, of such employer.
(22) “Payroll” means a record of wages payable to workers for their services and includes commissions, value of exchange labor and the reasonable value of board, rent, housing, lodging or similar advantage received from the employer. However, “payroll” does not include overtime pay,
vacation pay, bonus pay, tips, amounts payable under profit-sharing agreements or bonus payments
to reward workers for safe working practices. Bonus pay is limited to payments which are not ant-
ticipated under the contract of employment and which are paid at the sole discretion of the em-
ployer. The exclusion from payroll of bonus payments to reward workers for safe working practices
is only for the purpose of calculations based on payroll to determine premium for workers’ com-
penstation insurance, and does not affect any other calculation or determination based on payroll for
the purposes of this chapter.

(23) “Person” includes partnership, joint venture, association, limited liability company and
corporation.

(24)(a) “Preexisting condition” means, for all industrial injury claims, any injury, disease, con-
genital abnormality, personality disorder or similar condition that contributes to disability or need
for treatment, provided that:

(A) Except for claims in which a preexisting condition is arthritis or an arthritic condition, the
worker has been diagnosed with such condition, or has obtained medical services for the symptoms
of the condition regardless of diagnosis; and

(B)(i) In claims for an initial injury or omitted condition, the diagnosis or treatment precedes
the initial injury;

(ii) In claims for a new medical condition, the diagnosis or treatment precedes the onset of the
new medical condition; or

(iii) In claims for a worsening pursuant to ORS 656.273 or 656.278, the diagnosis or treatment
precedes the onset of the worsened condition.

(b) “Preexisting condition” means, for all occupational disease claims, any injury, disease, con-
genital abnormality, personality disorder or similar condition that contributes to disability or need
for treatment and that precedes the onset of the claimed occupational disease, or precedes a claim
for worsening in such claims pursuant to ORS 656.273 or 656.278.

(c) For the purposes of industrial injury claims, a condition does not contribute to disability or
need for treatment if the condition merely renders the worker more susceptible to the injury.

(25) “Self-insured employer” means an employer or group of employers certified under ORS
656.430 as meeting the qualifications set out by ORS 656.407.

(26) “State Accident Insurance Fund Corporation” and “corporation” mean the State Accident
Insurance Fund Corporation created under ORS 656.752.

(27) “Subject employer” means an employer who is subject to this chapter as provided by ORS
656.023.

(28) “Subject worker” means a worker who is subject to this chapter as provided by ORS
656.027.

(29) “Wages” means the money rate at which the service rendered is recompensed under the
contract of hiring in force at the time of the accident, including reasonable value of board, rent,
housing, lodging or similar advantage received from the employer, and includes the amount of tips
required to be reported by the employer pursuant to section 6053 of the Internal Revenue Code of
1954, as amended, and the regulations promulgated pursuant thereto, or the amount of actual tips
reported, whichever amount is greater. The State Accident Insurance Fund Corporation may estab-
lish assumed minimum and maximum wages, in conformity with recognized insurance principles, at
which any worker shall be carried upon the payroll of the employer for the purpose of determining
the premium of the employer.

(30) “Worker” means any person, including a minor whether lawfully or unlawfully employed,
who engages to furnish services for a remuneration, subject to the direction and control of an em-
ployer and includes salaried, elected and appointed officials of the state, state agencies, counties,
cities, school districts and other public corporations, but does not include any person whose services
are performed as an inmate or ward of a state institution or as part of the eligibility requirements
for a general or public assistance grant. For the purpose of determining entitlement to temporary
disability benefits or permanent total disability benefits under this chapter, “worker” does not in-
clude a person who has withdrawn from the workforce during the period for which such benefits are
sought.

(31) “Independent contractor” has the meaning for that term provided in ORS 670.600.

SECTION 61. ORS 656.204 is amended to read:

656.204. If death results from the accidental injury, payments shall be made as follows:

(1)(a) The cost of final disposition of the body and funeral expenses, including but not limited
to transportation of the body, shall be paid, not to exceed 20 times the average weekly wage in any
case.

(b) The insurer or self-insured employer shall pay bills submitted for disposition and funeral
expenses up to the benefit limit established in paragraph (a) of this subsection. If any part of the
benefit remains unpaid 60 days after claim acceptance, the insurer or self-insured employer shall pay
the unpaid amount to the estate of the worker.

(2)(a) If the worker is survived by a spouse, monthly benefits shall be paid in an amount equal
to 4.35 times 66-2/3 percent of the average weekly wage to the surviving spouse until remarriage.
The payment shall cease at the end of the month in which the remarriage occurs.

(b) If the worker is survived by a spouse, monthly benefits also shall be paid in an amount equal
to 4.35 times 10 percent of the average weekly wage for each child of the deceased who is sub-
stantially dependent on the spouse for support, until such child becomes 18 years of age.

(c) If the worker is survived by a spouse, monthly benefits also shall be paid in an amount equal
to 4.35 times 25 percent of the average weekly wage for each child of the deceased who is not sub-
stantially dependent on the spouse for support, until such child becomes 18 years of age.

(d) If a surviving spouse receiving monthly payments dies, leaving a child who is entitled to
compensation on account of the death of the worker, a monthly benefit equal to 4.35 times 25 per-
cent of the average weekly wage shall be paid to each such child until the child becomes 18 years
of age or the child's entitlement to benefits under subsection (8) of this section ceases, whichever
is later.

(e) If a child who has become 18 years of age is a full-time high school student, benefits shall
be paid as provided in subsection (8) of this section.

(f) In no event shall the total monthly benefits provided for in this subsection exceed 4.35 times
133-1/3 percent of the average weekly wage. If the sum of the individual benefits exceeds this max-
imum, the benefit for each child will be reduced proportionally.

(3)(a) Upon remarriage, a surviving spouse shall be paid 36 times the monthly benefit in a lump
sum as final payment of the claim, but the monthly payments for each child shall continue as before.

(b) If, after the date of the subject worker's death, the surviving spouse cohabits with another
person for an aggregate period of more than one year and a child has resulted from the relationship,
the surviving spouse shall be paid 36 times the monthly benefit in a lump sum as final payment of
the claim, but the monthly payment for any child who is entitled to compensation on account of the
death of the worker shall continue as before.

(4)(a) If the worker [leaves neither wife nor husband,] does not leave a spouse in a legally re-
cognized marriage but leaves a child under 18 years of age, a monthly benefit equal to 4.35 times
25 percent of the average weekly wage shall be paid to each such child until the child becomes 18
years of age.

(b) If a child who has become 18 years of age is a full-time high school student, benefits shall
be paid as provided in subsection (8) of this section.

c) In no event shall the total benefits provided for in this subsection exceed 4.35 times 133-1/3
percent of the average weekly wage. If the sum of the individual benefits exceeds this maximum, the
benefit for each child will be reduced proportionally.

(5)(a) If the worker leaves a dependent other than a surviving spouse or a child, a monthly
payment shall be made to each dependent equal to 50 percent of the average monthly support ac-
tually received by such dependent from the worker during the 12 months next preceding the occur-
rence of the accidental injury. If a dependent is under the age of 18 years at the time of the
accidental injury, the payment to the dependent shall cease when such dependent becomes 18 years
of age. The payment to any dependent shall cease under the same circumstances that would have
terminated the dependency had the injury not happened.

(b) If the dependent who has become 18 years of age is a full-time high school student, benefits
shall be paid as provided in subsection (8) of this section.

c) In no event shall the total benefits provided for in this subsection exceed 4.35 times 10 per-
cent of the average weekly wage. If the sum of the individual benefits exceeds this maximum, the
benefit for each dependent will be reduced proportionally.

(6) If a child is an invalid at the time the child otherwise becomes ineligible for benefits under
this section, the payment to the child shall continue while the child remains an invalid. If a person
is entitled to payment because the person is an invalid, payment shall terminate when the person
ceases to be an invalid.

(7) If, at the time of the death of a worker, the child of the worker or dependent has become
17 years of age but is under 18 years of age, the child or dependent shall receive the payment pro-
vided in this section for a period of one year from the date of the death. However, if after such
period the child is a full-time high school student, benefits shall be paid as provided in subsection
(8) of this section.

(8)(a) Benefits under this section which are to be paid as provided in this subsection shall be
paid for the child or dependent until the child or dependent becomes 19 years of age. If, however,
the child or dependent is attending higher education or begins attending higher education within six
months of the date the child or dependent leaves high school, benefits shall be paid until the child
or dependent becomes 23 years of age, ceases attending higher education or graduates from an ap-
proved institute or program, whichever is earlier.

(b) If a child or dependent who is eligible for benefits under this subsection has no surviving
parent, the child or dependent shall receive 4.35 times 66-2/3 percent of the average weekly wage
until the child or dependent becomes 23 years of age, ceases attending higher education or gradu-
ates from an approved institute or program, whichever is earlier.

c) As used in this subsection, “attending higher education” means regularly attending commu-
nity college, college or university, or regularly attending a course of vocational or technical training
designed to prepare the participant for gainful employment. A child or dependent enrolled in an
educational course load of less than one-half of that determined by the educational facility to con-
stitute “full-time” enrollment is not “attending higher education.”

(9) As used in this section, “average weekly wage” has the meaning for that term provided in
ORS 656.211.

SECTION 62. ORS 656.226 is amended to read:

656.226. In case [an unmarried man and an unmarried woman] two unmarried individuals have cohabited in this state [as husband and wife] for over one year prior to the date of an accidental injury received by one or the other as a subject worker, and children are living as a result of that relation, the surviving cohabitant and the children are entitled to compensation under this chapter the same as if the [man and woman] individuals had been legally married.

SECTION 63. ORS 659A.309 is amended to read:

659A.309. (1) Except as provided in subsection (2) of this section, it is an unlawful employment practice for an employer solely because another member of an individual’s family works or has worked for that employer to:

(a) Refuse to hire or employ an individual;

(b) Bar or discharge from employment an individual; or

(c) Discriminate against an individual in compensation or in terms, conditions or privileges of employment.

(2) An employer is not required to hire or employ and is not prohibited from barring or discharging an individual if such action:

(a) Would constitute a violation of any law of this state or of the United States, or any rule promulgated pursuant thereto, with which the employer is required to comply;

(b) Would constitute a violation of the conditions of eligibility for receipt by the employer of financial assistance from the government of this state or the United States;

(c) Would place the individual in a position of exercising supervisory, appointment or grievance adjustment authority over a member of the individual’s family or in a position of being subject to such authority which a member of the individual’s family exercises; or

(d) Would cause the employer to disregard a bona fide occupational requirement reasonably necessary to the normal operation of the employer’s business.

(3) As used in this section, “member of an individual’s family” means the [wife, husband] spouse in a legally recognized marriage, son, daughter, [mother, father,] parent, brother, brother-in-law, sister, sister-in-law, son-in-law, daughter-in-law, [mother-in-law, father-in-law,] parent-in-law, aunt, uncle, niece, nephew, stepparent or stepchild of the individual.

SECTION 64. ORS 677.365 is amended to read:

677.365. (1) Artificial insemination shall not be performed upon a woman without her prior written request and consent and, if she is married, the prior written request and consent of her [husband] spouse.

(2) Whenever a child is born who may have been conceived by the use of semen of a donor who is not the woman’s [husband] spouse, a copy of the request and consent required under subsection (1) of this section shall be filed by the physician who performs the artificial insemination with the State Registrar of the Center for Health Statistics. The state registrar shall prescribe the form of reporting.

(3) The information filed under subsection (2) of this section shall be sealed by the state registrar and may be opened only upon an order of a court of competent jurisdiction.

(4) If the physician who performs the artificial insemination does not deliver the child conceived as a result of the use of semen of a donor who is not the woman’s [husband] spouse, it is the duty of the woman and the [husband] spouse who consented pursuant to subsection (1) of this section to give that physician notice of the child’s birth. The physician who performs the artificial insemination
shall be relieved of all liability for noncompliance with subsection (2) of this section if the noncom-
pliance results from lack of notice to the physician about the birth.

**SECTION 65.** ORS 726.990 is amended to read:

726.990. (1) Violation, or participation in the violation, of any provision of this chapter by any
pawnbroker or any agent, member, officer or employee thereof, or any other person is a Class B
misdemeanor.

(2) Upon conviction under subsection (1) of this section, no license shall be granted to such
person, nor to the [husband or wife] **spouse in a legally recognized marriage** of such person, nor
to any partnership, association or corporation of which the person is an agent or member, until two
years after the date of the conviction.

**SECTION 66.** ORS 742.504, as amended by section 76, chapter 45, Oregon Laws 2014, is
amended to read:

742.504. Every policy required to provide the coverage specified in ORS 742.502 shall provide
uninsured motorist coverage that in each instance is no less favorable in any respect to the insured
or the beneficiary than if the following provisions were set forth in the policy. However, nothing
contained in this section requires the insurer to reproduce in the policy the particular language of
any of the following provisions:

(1)(a) Notwithstanding ORS 30.260 to 30.300, the insurer will pay all sums that the insured, the
heirs or the legal representative of the insured is legally entitled to recover as general and special
damages from the owner or operator of an uninsured vehicle because of bodily injury sustained by
the insured caused by accident and arising out of the ownership, maintenance or use of the
uninsured vehicle. Determination as to whether the insured, the insured’s heirs or the insured’s legal
representative is legally entitled to recover such damages, and if so, the amount thereof, shall be
made by agreement between the insured and the insurer, or, in the event of disagreement, may be
determined by arbitration as provided in subsection (10) of this section.

(b) No judgment against any person or organization alleged to be legally responsible for bodily
injury, except for proceedings instituted against the insurer as provided in this policy, shall be
conclusive, as between the insured and the insurer, on the issues of liability of the person or or-
ganization or of the amount of damages to which the insured is legally entitled.

(2) As used in this policy:

tained;

(B) The insured or someone on behalf of the insured reported the accident within 72 hours to

a statement under oath that the insured or the legal representative of the insured has a cause or
causes of action arising out of the accident for damages against a person or persons whose identities
are unascertainable, and setting forth the facts in support thereof; and

(C) At the insurer’s request, the insured or the legal representative of the insured makes avail-
able for inspection the vehicle the insured was occupying at the time of the accident.

(c) “Insured,” when unqualified and when applied to uninsured motorist coverage, means:
(A) The named insured as stated in the policy and any person designated as named insured in the schedule and, while residents of the same household, the spouse of any named insured and relatives of either, provided that neither the relative nor the spouse is the owner of a vehicle not described in the policy and that, if the named insured as stated in the policy is other than an individual or [husband and wife] spouses in a legally recognized marriage who are residents of the same household, the named insured shall be only a person so designated in the schedule;

(B) Any child residing in the household of the named insured if the insured has performed the duties of a parent to the child by rearing the child as the insured's own although the child is not related to the insured by blood, marriage or adoption; and

(C) Any other person while occupying an insured vehicle, provided the actual use thereof is with the permission of the named insured.

(d) “Insured vehicle,” except as provided in paragraph (e) of this provision, means:

(A) The vehicle described in the policy or a newly acquired or substitute vehicle, as each of those terms is defined in the public liability coverage of the policy, insured under the public liability provisions of the policy; or

(f) “Occupying” means in or upon or entering into or alighting from.

(g) “Phantom vehicle” means a vehicle that causes bodily injury to an insured arising out of a motor vehicle accident that is caused by a vehicle that has no physical contact with the insured or the vehicle the insured is occupying at the time of the accident, provided:

(A) The identity of either the operator or the owner of the phantom vehicle cannot be ascertained;

(B) The facts of the accident can be corroborated by competent evidence other than the testimony of the insured or any person having an uninsured motorist claim resulting from the accident; and

(C) The insured or someone on behalf of the insured reported the accident within 72 hours to a police, peace or judicial officer, to the Department of Transportation or to the equivalent department in the state where the accident occurred, and filed with the insurer within 30 days thereafter a statement under oath that the insured or the legal representative of the insured has a cause or causes of action arising out of the accident for damages against a person or persons whose identities are unascertainable, and setting forth the facts in support thereof.

(j) “Sums that the insured, the heirs or the legal representative of the insured is legally entitled
to recover as general and special damages from the owner or operator of an uninsured vehicle”
means the amount of damages that:
(A) A claimant could have recovered in a civil action from the owner or operator at the time
of the injury after determination of fault or comparative fault and resolution of any applicable de-
fenses;
(B) Are calculated without regard to the tort claims limitations of ORS 30.260 to 30.300; and

(A) A vehicle with respect to the ownership, maintenance or use of which there is no collectible
motor vehicle bodily injury liability insurance, in at least the amounts or limits prescribed for bodily
injury or death under ORS 806.070 applicable at the time of the accident with respect to any person
or organization legally responsible for the use of the vehicle, or with respect to which there is
collectible bodily injury liability insurance applicable at the time of the accident but the insurance
company writing the insurance denies coverage or the company writing the insurance becomes vol-
untarily or involuntarily declared bankrupt or for which a receiver is appointed or becomes insol-
vent. It shall be a disputable presumption that a vehicle is uninsured in the event the insured and
the insurer, after reasonable efforts, fail to discover within 90 days from the date of the accident,
the existence of a valid and collectible motor vehicle bodily injury liability insurance applicable at
the time of the accident.
(B) A hit-and-run vehicle.
(C) A phantom vehicle.

(i) That is not in compliance with ORS 806.130 (1)(c); or
(ii) That provides recovery to an insured in an amount that is less than the limits for uninsured
motorist coverage of the insured.
(L) “Uninsured vehicle” does not include:
(A) An insured vehicle, unless the vehicle is a stolen vehicle;
(B) Except as provided in paragraph (k)(E) of this subsection, a vehicle that is owned or oper-

(E) A farm-type tractor or equipment designed for use principally off public roads, except while
actually upon public roads; or
(F) A vehicle owned by or furnished for the regular or frequent use of the insured or any

(m) “Vehicle” means every device in, upon or by which any person or property is or may be
transported or drawn upon a public highway, but does not include devices moved by human power
or used exclusively upon stationary rails or tracks.

(3) This coverage applies only to accidents that occur on and after the effective date of the
policy, during the policy period and within the United States of America, its territories or pos-
sessions, or Canada.

(4)(a) This coverage does not apply to bodily injury of an insured with respect to which the in-
sured or the legal representative of the insured shall, without the written consent of the insurer,
make any settlement with or prosecute to judgment any action against any person or organization
who may be legally liable therefor.

(b) This coverage does not apply to bodily injury to an insured while occupying a vehicle, other
than an insured vehicle, owned by, or furnished for the regular use of, the named insured or any
relative resident in the same household, or through being struck by the vehicle.

(c) This coverage does not apply so as to inure directly or indirectly to the benefit of any
workers’ compensation carrier, any person or organization qualifying as a self-insurer under any
workers’ compensation or disability benefits law or any similar law or the State Accident Insurance
Fund Corporation.

(d) This coverage does not apply with respect to underinsured motorist benefits unless:

(A) The limits of liability under any bodily injury liability insurance applicable at the time of
the accident regarding the injured person have been exhausted by payment of judgments or settle-
ments to the injured person or other injured persons;

(B) The described limits have been offered in settlement, the insurer has refused consent under
paragraph (a) of this subsection and the insured protects the insurer’s right of subrogation to the
claim against the tortfeasor;

(C) The insured gives credit to the insurer for the unrealized portion of the described liability
limits as if the full limits had been received if less than the described limits have been offered in
settlement, and the insurer has consented under paragraph (a) of this subsection; or

(D) The insured gives credit to the insurer for the unrealized portion of the described liability
limits as if the full limits had been received if less than the described limits have been offered in
settlement and, if the insurer has refused consent under paragraph (a) of this subsection, the insured
protects the insurer’s right of subrogation to the claim against the tortfeasor.

(e) When seeking consent under paragraph (a) or (d) of this subsection, the insured shall allow
the insurer a reasonable time in which to collect and evaluate information related to consent to the
proposed offer of settlement. The insured shall provide promptly to the insurer any information that
is reasonably requested by the insurer and that is within the custody and control of the insured.
Consent will be presumed to be given if the insurer does not respond within a reasonable time. For
purposes of this paragraph, a “reasonable time” is no more than 30 days from the insurer’s receipt
of a written request for consent, unless the insured and the insurer agree otherwise.

(5)(a) As soon as practicable, the insured or other person making claim shall give to the insurer
written proof of claim, under oath if required, including full particulars of the nature and extent of
the injuries, treatment and other details entering into the determination of the amount payable
hereunder. The insured and every other person making claim hereunder shall submit to examinations
under oath by any person named by the insurer and subscribe the same, as often as may reasonably
be required. Proof of claim shall be made upon forms furnished by the insurer unless the insurer fails
to furnish the forms within 15 days after receiving notice of claim.

(b) Upon reasonable request of and at the expense of the insurer, the injured person shall submit
to physical examinations by physicians, physician assistants or nurse practitioners selected by the insurer and shall, upon each request from the insurer, execute authorization to enable the insurer to obtain medical reports and copies of records.

(6) If, before the insurer makes payment of loss hereunder, the insured or the legal representative of the insured institutes any legal action for bodily injury against any person or organization legally responsible for the use of a vehicle involved in the accident, a copy of the summons and complaint or other process served in connection with the legal action shall be forwarded immediately to the insurer by the insured or the legal representative of the insured.

(7)(a) The limit of liability stated in the declarations as applicable to “each person” is the limit of the insurer’s liability for all damages because of bodily injury sustained by one person as the result of any one accident and, subject to the above provision respecting each person, the limit of liability stated in the declarations as applicable to “each accident” is the total limit of the company’s liability for all damages because of bodily injury sustained by two or more persons as the result of any one accident.

(b) Any payment made under this coverage to or for an insured shall be applied in reduction of any amount that the insured may be entitled to recover from any person who is an insured under the bodily injury liability coverage of this policy.

(c) Any amount payable under the terms of this coverage because of bodily injury sustained in an accident by a person who is an insured under this coverage shall be reduced by:

(A) All sums paid on account of the bodily injury by or on behalf of the owner or operator of the uninsured vehicle and by or on behalf of any other person or organization jointly or severally liable together with the owner or operator for the bodily injury, including all sums paid under the bodily injury liability coverage of the policy; and

(B) The amount paid and the present value of all amounts payable on account of the bodily injury under any workers’ compensation law, disability benefits law or any similar law.

(d) Any amount payable under the terms of this coverage because of bodily injury sustained in an accident by a person who is an insured under this coverage shall be reduced by the credit given to the insurer pursuant to subsection (4)(d)(C) or (D) of this section.

(e) The amount payable under the terms of this coverage may not be reduced by the amount of liability proceeds offered, described in subsection (4)(d)(B) or (D) of this section, that has not been paid to the injured person. If liability proceeds have been offered and not paid, the amount payable under the terms of the coverage shall include the amount of liability limits offered but not accepted due to the insurer’s refusal to consent. The insured shall cooperate so as to permit the insurer to proceed by subrogation or assignment to prosecute the claim against the uninsured motorist.

(8) No action shall lie against the insurer unless, as a condition precedent thereto, the insured or the legal representative of the insured has fully complied with all the terms of this policy.

(9)(a) With respect to bodily injury to an insured:

(A) While occupying a vehicle owned by a named insured under this coverage, the insurance under this coverage is primary.

(B) While occupying a vehicle not owned by a named insured under this coverage, the insurance under this coverage shall apply only as excess insurance over any primary insurance available to the occupant that is similar to this coverage, and this excess insurance shall then apply only in the amount by which the applicable limit of liability of this excess coverage exceeds the sum of the applicable limits of liability of all primary insurance available to the occupant.

(b) If an insured is an insured under other primary or excess insurance available to the insured
that is similar to this coverage, then the insured's damages are deemed not to exceed the higher of
the applicable limits of liability of this insurance or the additional primary or excess insurance
available to the insured, and the insurer is not liable under this coverage for a greater proportion
of the insured's damages than the applicable limit of liability of this coverage bears to the sum of
the applicable limits of liability of this insurance and other primary or excess insurance available
to the insured.

(c) With respect to bodily injury to an insured while occupying any motor vehicle used as a
public or livery conveyance, the insurance under this coverage shall apply only as excess insurance
over any other insurance available to the insured that is similar to this coverage, and this insurance
shall then apply only in the amount by which the applicable limit of liability of this coverage ex-
cceeds the sum of the applicable limits of liability of all other insurance.

(10) If any person making claim hereunder and the insurer do not agree that the person is le-
gally entitled to recover damages from the owner or operator of an uninsured vehicle because of
bodily injury to the insured, or do not agree as to the amount of payment that may be owing under
this coverage, then, in the event the insured and the insurer elect by mutual agreement at the time
of the dispute to settle the matter by arbitration, the arbitration shall take place as described in
ORS 742.505. Any judgment upon the award rendered by the arbitrators may be entered in any court
having jurisdiction thereof, provided, however, that the costs to the insured of the arbitration pro-
ceeding do not exceed $100 and that all other costs of arbitration are borne by the insurer.

“Costs” as used in this provision does not include attorney fees or expenses incurred in the pro-
duction of evidence or witnesses or the making of transcripts of the arbitration proceedings. The
person and the insurer each agree to consider themselves bound and to be bound by any award made
by the arbitrators pursuant to this coverage in the event of such election. At the election of the
insured, the arbitration shall be held:

(a) In the county and state of residence of the insured;

(b) In the county and state where the insured's cause of action against the uninsured motorist
arose; or

(c) At any other place mutually agreed upon by the insured and the insurer.

(11) In the event of payment to any person under this coverage:

(a) The insurer shall be entitled to the extent of the payment to the proceeds of any settlement
or judgment that may result from the exercise of any rights of recovery of the person against any
uninsured motorist legally responsible for the bodily injury because of which payment is made;

(b) The person shall hold in trust for the benefit of the insurer all rights of recovery that the
person shall have against such other uninsured person or organization because of the damages that
are the subject of claim made under this coverage, but only to the extent that the claim is made or
paid herein;

(c) If the insured is injured by the joint or concurrent act or acts of two or more persons, one
or more of whom is uninsured, the insured shall have the election to receive from the insurer any
payment to which the insured would be entitled under this coverage by reason of the act or acts
of the uninsured motorist, or the insured may, with the written consent of the insurer, proceed with
legal action against any or all persons claimed to be liable to the insured for the injuries. If the
insured elects to receive payment from the insurer under this coverage, then the insured shall hold
in trust for the benefit of the insurer all rights of recovery the insured shall have against any other
person, firm or organization because of the damages that are the subject of claim made under this
coverage, but only to the extent of the actual payment made by the insurer;
(d) The person shall do whatever is proper to secure and shall do nothing after loss to prejudice such rights;

(e) If requested in writing by the insurer, the person shall take, through any representative not in conflict in interest with the person, designated by the insurer, such action as may be necessary or appropriate to recover payment as damages from such other uninsured person or organization, such action to be taken in the name of the person, but only to the extent of the payment made hereunder. In the event of a recovery, the insurer shall be reimbursed out of the recovery for expenses, costs and attorney fees incurred by the insurer in connection therewith; and

(f) The person shall execute and deliver to the insurer any instruments and papers as may be appropriate to secure the rights and obligations of the person and the insurer established by this provision.

(12)(a) The parties to this coverage agree that no cause of action shall accrue to the insured under this coverage unless within two years from the date of the accident:

(A) Agreement as to the amount due under the policy has been concluded;

(B) The insured or the insurer has formally instituted arbitration proceedings;

(C) The insured has filed an action against the insurer; or

(D) Suit for bodily injury has been filed against the uninsured motorist and, within two years from the date of settlement or final judgment against the uninsured motorist, the insured has formally instituted arbitration proceedings or filed an action against the insurer.

(b) For purposes of this subsection:

(A) “Date of settlement” means the date on which a written settlement agreement or release is signed by an insured or, in the absence of these documents, the date on which the insured or the attorney for the insured receives payment of any sum required by the settlement agreement. An advance payment as defined in ORS 31.550 shall not be deemed a payment of a settlement for purposes of the time limitation in this subsection.

(B) “Final judgment” means a judgment that has become final by lapse of time for appeal or by entry in an appellate court of an appellate judgment.

SECTION 67. ORS 743.027 is amended to read:

743.027. A life or health insurance policy upon an individual, except a policy of group life insurance or of group or blanket health insurance, may not be made or effectuated unless at the time of the making of the policy the individual insured, being of competent legal capacity to contract, applies therefor or has consented thereto in writing, except in the following cases:

(b) Has a lawful and substantial interest in having the life, health and bodily safety of the adult

continue.

SECTION 68. ORS 743A.084 is amended to read:

743A.084. Each policy of health insurance shall provide:

(1) The same payments for costs of maternity to unmarried women that it provides to married

women, including the [wives] **spouses in legally recognized marriages** of insured persons choosing

family coverage; and

(2) The same coverage for the child of an unmarried woman that the child of an insured married

person choosing family coverage receives.
