Directs Superintendent of Public Instruction to include certain information related to immunizations on school district and school performance reports.

A BILL FOR AN ACT

Relating to child immunizations; creating new provisions; and amending ORS 329.105 and 433.269.

Be It Enacted by the People of the State of Oregon:

SECTION 1. ORS 433.269 is amended to read:

433.269. (1) Local health departments shall make available immunizations to be administered under the direction of the local health officer in convenient areas and at convenient times. No person shall be refused service because of inability to pay.

(2)(a) The local health department and all schools and children's facilities shall report annually to the Oregon Health Authority on the number of children in the area served and the number of children who are susceptible to restrictable disease as prescribed by the authority's rules pursuant to ORS 433.273. A child exempted under ORS 433.267 shall be considered to be susceptible.

(b) Each school and children's facility shall make available the information reported under paragraph (a) of this subsection:

(A) At the main office for the school or children's facility; and

(B) On the website for the school, school district or children's facility, if available.

(3) The administrator shall maintain immunization records of children, including children in attendance conditionally because of incomplete immunization schedules and children exempted under ORS 433.267.

SECTION 2. ORS 329.105 is amended to read:

329.105. (1) The Superintendent of Public Instruction shall collect data and produce annual school district and school performance reports to provide information to parents and to improve schools.

(2) The superintendent shall include in the school district and school performance reports data for the following areas, for each school or district, that are available to the Department of Education from the most recent school year:

(a) Data required by the federal No Child Left Behind Act of 2001 (P.L. 107-110, 115 Stat. 1425);

(b) Information about how to access the website that is maintained by the State Department of Geology and Mineral Industries as provided by ORS 516.030 (6)(b); *[and]*

(c) Information related to the number of children served and the number of children who are susceptible to restrictable disease, as reported under ORS 433.269 (2); and

NOTE: Matter in **boldfaced** type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted. New sections are in **boldfaced** type.

1 [(c)] (d) Any other data identified by the Department of Education as required by federal law
2 to be in the reports.

3 (3) In addition to the data required by subsection (2) of this section, the superintendent may
4 include other data on the school district and school performance reports.

5 (4) The department shall work with stakeholders to:

6 (a) Design and implement an accountability system of progressive interventions for schools and
7 school districts that do not demonstrate improvement; and

8 (b) Provide technical assistance to schools and school districts that do not demonstrate im-
9 provement.

10 **SECTION 3. The reporting requirements of ORS 329.105 and 433.269, as amended by**
11 **sections 1 and 2 of this 2015 Act, first apply to data collected for the 2015-2016 school year.**
