or be granted a license, certification, registration or permit on the basis of
information obtained as the result of a criminal records check conducted
pursuant to this section. Challenges to the accuracy or completeness of in-

section may appeal the determination through the contested case process
adopted under this subsection or applicable personnel rules, policies and
collective bargaining provisions. An individual’s decision to appeal a deter-
mination through personnel rules, policies and collective bargaining pro-
visions is an election of remedies as to the rights of the individual with
respect to the fitness determination and is a waiver of the contested case
process.

“(c) An individual prohibited from receiving public funds for employment
under ORS 443.004 (3) is not entitled to appeal a determination under para-

strated and legitimate need to know the information.

“(16) If a subject individual refuses to consent to the criminal records
check or refuses to be fingerprinted, the authorized agency shall deny the
employment of the individual, or revoke or deny any applicable position, authority to provide services, license, certification, registration or permit.

“(17) If an authorized agency requires a criminal records check of employees, prospective employees, contractors, vendors or volunteers or applicants for a license, certification, registration or permit, the application forms of the authorized agency must contain a notice that the person is subject to fingerprinting and a criminal records check.
