1 (4) The task force shall research and evaluate potential tools to prepare for or deal with
2 drought emergencies. The activities of the task force may include, but need not be limited
3 to:

4 (a) Evaluating the sufficiency of existing tools to address short-term drought response
5 needs and recommending additional tools to address short-term drought response needs;

6 (b) Identifying options to minimize the impact of drought on agricultural, municipal and
7 other interests;

8 (c) Identifying options to minimize the impact of drought on fish and wildlife;

9 (d) Identifying tools to assist small water providers in developing water management,
10 conservation or efficiency plans and in anticipating drought risks and responses;

11 (e) Identifying the data and resources necessary for anticipating drought and drought
12 impacts on the economy, communities and the environment; or

13 (f) Recommending improvements in information sharing necessary for enabling the pub-
14 lic, water users and recreational in-stream users to understand drought conditions and to
15 assist in efforts to mitigate or adapt to drought.

16 (5) A majority of the task force constitutes a quorum for the transaction of business.

17 (6) Official action by the task force requires the approval of a majority of the task force.

18 (7) The task force shall elect one of its members to serve as chairperson.

19 (8) If there is a vacancy for any cause, the Governor may make an appointment to be-
20 come immediately effective.

21 (9) The task force shall meet at times and places specified by the call of the chairperson
22 or of a majority of the task force.

23 (10) The task force may adopt rules necessary for the operation of the task force.

24 (11) The task force shall submit a report in the manner provided in ORS 192.245, and may
25 include recommendations for legislation, to an interim committee of the Legislative Assem-
26 bly related to natural resources no later than November 1, 2016. The task force shall provide
27 a copy of the report to the Water Resources Commission.

28 (12) The Water Resources Department shall provide staff support to the task force.

29 (13) Members of the task force are not entitled to compensation, but may be reimbursed
30 for actual and necessary travel and other expenses incurred by them in the performance of
31 their official duties in the manner and amounts provided for in ORS 292.495. Claims for ex-
32 penses shall be paid out of funds appropriated to the department for purposes of the task
33 force.

34 (14) All agencies of state government, as defined in ORS 174.111, are directed to assist
35 the task force in the performance of duties of the task force and, to the extent permitted
36 by laws relating to confidentiality, to furnish information and advice the members of the task
37 force consider necessary to perform their duties.

38 **SECTION 2.** Section 1 of this 2016 Act is repealed on December 31, 2016.

39 **SECTION 3.** In addition to and not in lieu of any other appropriation, there is appropri-
40 ated to the Water Resources Department, for the biennium beginning July 1, 2015, out of the
41 General Fund, the amount of \$25,000, which may be expended for Task Force on Drought
42 Emergency Response purposes.

43 **SECTION 4.** This 2016 Act being necessary for the immediate preservation of the public
44 peace, health and safety, an emergency is declared to exist, and this 2016 Act takes effect
45 on its passage.
