

HELLO:

AS YOU KNOW HB 2739 WOULD PROTECT OUR FARMERS, FARMS, PEOPLE BY HOLDING PATENT HOLDERS RESPONSIBLE. GMO'S DO NOT BELONG ON OUR LANDS, IN OUR CROPS, ON OUR TABLES.

STOP THE GMO'S.

KEEP THE CORPORATE CORRUPTION IN CHECK.

MAKE THEM TAKE RESPONSIBILITY.

[HB 2469](#) would restore the ability of local farmers to address their diverse agricultural needs at a community level by allowing communities to create measures such as GE-free zones to protect family farmers and specialty non-GMO crops.
