

As a retired Oregon State Policeman with 30 years on the department I would like to voice my opinion against any further gun bills such as 868 and 764. Senator Mr. "P" needs to keep the Bloomberg big bags of cash out of Oregon.

I for one have welcomed the aid of a armed citizen on several situations where I had no back up by any other law enforcement agency, even my own. What you should be doing is building up the OSP back to the levels in the late 60's & through the 70's. That is where you would be doing some good. Use the present Oregon laws already on the books , NOT what Bloomberg wants.

There are many of us who dislike the New York big money being sent to the Oregon to Brown and Mr. "P. Outside influence is not wanted.

What about representing us Oregon citizens who pay the taxes?

Please vote NO on any further invasion of my gun rights.

Thank You
