Dear Senator,

VOTE YES
Subject SB 764 & Amended SB 764

The Oregon Sheriffs Association offers **BOGUS ONLINE FIREARM TRAINING COURSES** (CHL - Concealed Handgun License) Currently there is no state requirements as to the contents of a class or course. These phony online courses can be done in 30 minutes. They are even being offered on line by **Out of State Based Bogus Instructors** who are bragging about getting your Oregon CHL Training on line. **This kind of online CHL courses make Oregonians look like a Joke.** Also many individuals are making phony resumes and doing **BOGUS ONLINE FIREARM CHL instruction Without Actual Firearm Instructor Experience.** Your consideration in voting **YES to SB 764** and requiring Oregon County Sheriff's to comply with ORS 166.291 and stopping these Phony Online CHL Training Courses is important. A 12 year old child can take the course for his 50 year old father who can't read or write. I could take the course for my house cat Salem. A felon could take the course for his new girl friend he just met in a bar etc., these are just a few examples of these Bogus Online Firearm Training Courses being offered **including The BOGUS Oregon Sheriffs Association Online Course.**

PS: ORS:166.291 When written did not take into account these **BOGUS ONLINE FIREARM TRAINING COURSES.**

Your consideration regarding this most important matter would be appreciated.

Sincerely,

Carl A. Pfeiffer, NRA Firearms Instructor #161420157
