

Dear Oregon Legislatures,

We are rental property owners in Multnomah County and I urge you to oppose HB 2004-A!

Our rental properties are our source of income and a vacancy is nothing we look forward to. Don't punish us Ma & Pop rental property owners because of big company developers.

Thank you for taking the time to read our email. Please oppose HB 2004-A.

Sincerely,

Marie & Ritch Schultz
