Subject: No rent control in Oregon, please

Dear Sirs an Madams:

I am a homeowner/landlord in rural Clackamas County and I rent out my house to supplement my retirement income. Please don't impose rent control. It will hurt me, other retirees, and hurt tenants, too, as landlords will reduce maintenance expenses and other tenant improvements to maintain a standard of living.

To emphasize: No rent control in Oregon, please!

K.R. Stalder
