While I agree that the atmosphere for renters is tense, I AM ABSOLUTELY OPPOSED to the tactics within HB 2004. I think this bill will do WAY more harm than good. Let's find a way to make building more accessible and fiscally possible so we have more homes and apartments for people to move in to.

I am a landlord and I know I am not alone in wanting the best for my tenants. HB 2004 will not help us succeed!
