Dear Chair Gelser, Vice Chair Olsen, and Members of the Committee,

I am a fourth-generation Oregonian seeking housing right now as I graduate from Portland State University and move off campus. It's incredibly more difficult now than it was when I moved onto campus, four years ago. I'll carry payments for my student loans along with my other living expenses into the housing market.

Please help keep housing affordable and available. We need rent control and so much more! Thank you for listening.

peace,

Randy Black
