Subject: HB-2004-A

To Whom It May Concern:

I am a landlord in Washington County and I urge you to oppose HB2004-A. Rent control or charging landlords for evicting a tenant is not the answer.

San Francisco has rent control and they have a bigger problems with landlords taking their property off the market causing more problems and not solving the rental availability. Government regulations have never solved issues only caused more problems in the long run. Oppose HB2004-A.
