A BILL FOR AN ACT

Relating to construction standards for small homes; and prescribing an effective date.

Be It Enacted by the People of the State of Oregon:

SECTION 1. Section 2 of this 2017 Act is added to and made a part of ORS chapter 455.

SECTION 2. (1) As used in this section, “small home” means a dwelling that is not more than 600 square feet in size.

(2) The Director of the Department of Consumer and Business Services shall adopt construction standards for prefabricated and site-built small homes for incorporation into the state building code. The construction standards for small homes must include, but need not be limited to, standards that:

(a) Allow sleeping lofts; and

(b) Allow the use of ladders or alternate tread devices as the primary means of egress from a sleeping loft.

SECTION 3. The Director of the Department of Consumer and Business Services shall complete the adoption of initial construction standards for small homes under section 2 of this 2017 Act in time for the standards to become effective no later than January 1, 2018.

SECTION 4. The Director of the Department of Consumer and Business Services shall report to a committee of the Legislative Assembly relating to construction in the manner provided by ORS 192.245 no later than March 1, 2019, regarding the implementation and use of construction standards for small homes adopted under section 2 of this 2017 Act. The report may include, but need not be limited to, any recommendations of the director regarding construction standards for small homes.

NOTE: Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted. New sections are in boldfaced type.
