14 and Tobacco Tax and Trade Bureau and have a written contract with a winery licensed under par-
15 agraph (a) of this subsection that authorizes the winery to produce for the licensee a brand of wine
16 or cider that is under the control of the licensee.

17 (5) A winery licensee may sell and ship malt beverages, wine or cider directly to a resident of
18 this state only if the licensee has a direct shipper permit issued under ORS 471.282.

19 [(6)(a)] (6) [Except as provided in paragraph (b) of this subsection,] A winery licensee, or any
20 person having an interest in the licensee, may also hold a full on-premises sales license. If a winery
21 licensee, or a person having an interest in the licensee, also holds a full on-premises sales license,
22 the provisions of this chapter do not prevent the licensee or person from both selling wine or cider
23 bottled and produced under the winery license and selling alcoholic liquor as authorized under the
24 full on-premises sales license.

25 [(b) The commission may not issue a full on-premises sales license to a winery licensee under the
26 provisions of this subsection if the winery licensee, or any person having an interest in the licensee or
27 exercising control over the licensee, is a brewery that brews more than 200,000 barrels of malt
28 beverages annually.]

29 (7) More than one winery licensee may exercise the privileges of a winery license at a single
30 location. The commission may not refuse to issue a winery license to a person for the production
31 of wine or cider on specified premises based on the fact that other winery licensees also produce
32 wine or cider on those premises.

33 (8) If a winery licensee does not possess at a bonded premises within Oregon a valid producer
34 and blender basic permit issued by the federal Alcohol and Tobacco Tax and Trade Bureau, the
35 licensee may exercise the privileges described in this section only for wine and cider brands that
36 are under the control of the licensee.

37 **SECTION 9.** ORS 471.230 is amended to read:

38 471.230. (1) A distillery license allows the licensee to import, manufacture, distill, rectify, blend,
39 denature and store [*spirits of*] **distilled liquor with** an alcoholic content greater than [17] **10** percent
40 alcohol by [*weight*] **volume**, to sell the [*spirits*] **distilled liquor** to the Oregon Liquor Control Com-
41 mission and to transport the [*spirits*] **distilled liquor** out of this state for sale outside this state.
42 Distillery licensees may purchase and sell distilled liquor from or to another distillery licensee in
43 containers having a capacity greater than one U.S. gallon for blending and manufacturing purposes.
44 A distillery licensee may not sell any alcoholic beverage within this state except to the commission
45 or as provided in this section. However, any agricultural producer or association of agricultural

1 producers or the legal agents of an agricultural producer or association of agricultural producers
2 that manufactures and converts agricultural surpluses, by-products and wastes into denatured ethyl
3 and industrial alcohol for use in the arts and industry are not required to obtain a license from the
4 commission.

5 (2) If a distillery licensee holds a valid distilled spirits plant basic permit issued by the federal
6 Alcohol and Tobacco Tax and Trade Bureau for the licensed premises, the distillery licensee may:

7 (a) Permit tastings of distilled liquor approved by the commission for sale in Oregon and manu-
8 factured in Oregon by the distillery licensee or by another distillery licensee. Tastings may be of
9 the distilled liquor alone or with a mix of other liquids. If any of the other liquids are distilled li-
10 quors, they must be distilled liquors on the list of products approved by the commission for retail
11 sale in Oregon and must be purchased by the licensee at the retail price established by the com-
12 mission. This paragraph does not authorize sales by the drink of distilled liquor. The tastings may
13 be conducted on the licensed premises of the distillery and at no more than five other premises
14 owned or leased by the licensee. The commission may allow more than one distillery licensee to use
15 the same premises at the same time for conducting tastings if the premises are a primary production
16 location and the licensees share the premises or are owned by the same entity. If the manufacturer
17 of the distilled liquor obtains distilled liquor for conducting tastings from the inventory of the
18 commission, the licensee shall pay the commission a processing fee.

19 (b) Obtain a special events distillery license.

20 (c) Apply for appointment by the commission as a distillery retail outlet agent for purposes of
21 retailing distilled liquor at locations where tastings are permitted under paragraph (a) of this sub-
22 section or subsection (4)(a) of this section. A distillery retail outlet agent may sell at locations
23 where tastings are allowed under paragraph (a) of this subsection only distilled liquor that is on the
24 list of products approved by the commission for retail sale in Oregon and is manufactured in Oregon
25 by the distillery licensee or by another distillery licensee that uses the same premises as a primary
26 production location or is owned by the same entity as the distillery licensee.

27 (3) Notwithstanding ORS 471.392 to 471.400, a distillery licensee may also hold a full on-premises
28 sales license for a location at the licensed premises of the distillery and a full on-premises sales li-
29 cense for one other location. All distilled [*spirits*] **liquor** sold under the full on-premises sales license
30 must be purchased from the commission.

31 (4) A distillery licensee that holds a special events distillery license may conduct an event on
32 premises designated in the special events distillery license. Except as provided in this subsection,
33 a special events distillery license may be valid for a period not exceeding five days. The commission
34 shall limit the approval of special events distillery licenses for a distillery licensee at the same lo-
35 cation to not more than 62 days during a calendar year. A distillery licensee conducting a special
36 event may:

37 (a) Permit tastings of distilled liquor approved by the commission for sale in Oregon and manu-
38 factured in Oregon by the distillery licensee. Tastings may be of the distilled liquor alone or with
39 a mix of other liquids. If any of the other liquids are distilled liquors, they must be distilled liquors
40 on the list of products approved by the commission for retail sale in Oregon and must be purchased
41 by the licensee at the retail price established by the commission. If the manufacturer of the distilled
42 liquor obtains distilled liquor for conducting tastings from the inventory of the commission, the
43 licensee shall pay the commission a processing fee.

44 (b) Permit sales by the drink of distilled liquor. A drink that a distillery licensee sells under this
45 paragraph must include distilled liquor that the licensee manufactured in Oregon. Any distilled li-

1 quor contained in the drink must be on the list of products approved by the commission for retail
2 sale in Oregon. The distillery licensee selling the drink must purchase all distilled liquor contained
3 in the drink at the retail price set by the commission for the month in which the drink is sold.

4 (c) If the distillery licensee has been appointed as a distillery retail outlet agent under sub-
5 section (2)(c) of this section, sell distilled liquor in factory-sealed containers for consumption off the
6 licensed premises. A distillery retail outlet agent may sell at a location where tastings are allowed
7 under paragraph (a) of this subsection only distilled liquor that is on the list of products approved
8 by the commission for retail sale in Oregon and is manufactured in Oregon by the distillery licensee.
9 The distillery retail outlet agent must sell the distilled liquor at the retail price set by the com-
10 mission for the month of sale.

11 **SECTION 10.** ORS 471.292 is amended to read:

12 471.292. (1) A license granted under the Liquor Control Act [*or the Oregon Distilled Liquor*

14 (a) Be a purely personal privilege.

15 (b) Be valid for the period stated in the license.

19 vided in ORS 471.315.

31 (b) The business of any deceased, insolvent or bankrupt licensee may be operated for a reason-
32 able period following the death, insolvency or bankruptcy.

33 (c) A business licensed pursuant to this chapter subject to a security interest may be continued
34 in business by a secured party as defined in ORS 79.0102 for a reasonable period after default on
35 the indebtedness by the debtor.

36 (d) A license granted under this chapter may be transferred from the place for which the license
37 was originally issued to another location.

38 **SECTION 11.** ORS 471.313 is amended to read:

39 471.313. The Oregon Liquor Control Commission may refuse to **issue a license, or may issue**
40 **a restricted license, to** any applicant under the provisions of this chapter if the commission has
41 reasonable ground to believe any of the following to be true:

42 (1) That there are sufficient licensed premises in the locality set out in the application, or that
43 the granting of a license in the locality set out in the application is not demanded by public interest
44 or convenience. In determining whether there are sufficient licensed premises in the locality, the
45 commission shall consider seasonal fluctuations in the population of the locality and shall ensure

1 that there are adequate licensed premises to serve the needs of the locality during the peak seasons.

2 (2) That the applicant has not furnished an acceptable bond as required by ORS 471.311 or is

15 applicant to lawfully carry out activities under the license.

16 (e) Has maintained an insanitary establishment.

17 (f) Is not of good repute and moral character.

18 (g) Did not have a good record of compliance with the alcoholic liquor laws of this state and

26 (5) That there is a history of serious and persistent problems involving disturbances, lewd or

32 vibrations; public drunkenness; fights; altercations; harassment; unlawful drug sales; alcohol or re-
33 lated litter; trespassing on private property; and public urination. Histories from premises currently
34 or previously operated by the applicant may be considered when reasonable inference may be made
35 that similar activities will occur as to the premises proposed to be licensed. The applicant may
36 overcome the history by showing that the problems are not serious or persistent or that the appli-
37 cant demonstrates a willingness and ability to control adequately the premises proposed to be li-
38 censed and patrons' behavior in the immediate vicinity of the premises which is related to the
39 licensee's sale or service of alcohol under the licensee's exercise of the license privilege.

40 **SECTION 12.** ORS 471.315 is amended to read:

16 (I) Has misrepresented to a customer or the public any alcoholic liquor sold by the licensee.

17 (J) Since the granting of the license, has been convicted of a felony, of violating any of the li-

30 brations; public drunkenness; fights; altercations; harassment or unlawful drug sales; alcohol or re-
31 lated litter; trespassing on private property; and public urination. Mitigating factors include a
32 showing by the licensee that the problems are not serious or persistent or that the licensee has

 30 Education Program established under ORS 471.541.

31 [(4)] (3) An applicant [*for a service permit whose application has been indorsed as provided*

24 (3) When there has been a violation of this chapter or any rule adopted thereunder upon any

35 all money collected by the Oregon Liquor Control Commission under this chapter and ORS chapter

38 by it in excess of the amount legally due and payable to the commission or that it has received
39 money to which it has no legal interest, or that any license fee or deposit is properly refundable,
40 the commission is authorized and directed to refund such money by check drawn upon the State
41 Treasurer and charged to the suspense account of the commission. After withholding refundable li-
42 cense fees and such sum, not to exceed \$250,000, as it considers necessary as a revolving fund for
43 a working cash balance for the purpose of paying travel expenses, advances, other miscellaneous
44 bills and extraordinary items which are payable in cash immediately upon presentation, the com-
45 mission shall direct the State Treasurer to transfer the money remaining in the suspense account

1 to the Oregon Liquor Control Commission Account in the General Fund. Moneys in the Oregon Li-

12 amount equalling or exceeding an amount the commission, in its discretion, deems to be
13 reasonable and sufficient and to be not less than the average daily gross receipts from retail
14 sales of distilled liquor by the agent. The commission shall remit moneys deposited with the
15 commission under this subsection to the State Treasurer for deposit to a separate reserve
16 account of the commission. Moneys in the reserve account are not revenue of the commis-
17 sion for purposes of ORS 221.770. The commission shall return the deposit, and any interest
18 earned on the deposit, if the appointment of the agent terminates and the agent has for-
19 warding to the commission all moneys owed the commission from retail sales of distilled li-
20 quor by the agent.**
