30 **TECHNICAL AMENDMENTS**

31
32 **SECTION 10.** ORS 127.005 is amended to read:

33 127.005. (1) When a principal designates another person as an agent by a power of attorney in
34 writing, and the power of attorney does not contain words that otherwise delay or limit the period
35 of time of its effectiveness:

36 (a) The power of attorney becomes effective when executed and remains in effect until the power
37 is revoked by the principal;

38 (b) The powers of the agent are unaffected by the passage of time; and

39 (c) The powers of the agent are exercisable by the agent on behalf of the principal even though
40 the principal becomes financially incapable.

41 (2) The terms of a power of attorney may provide that the power of attorney will become ef-
42 fective at a specified future time, or will become effective upon the occurrence of a specified future
43 event or contingency such as the principal becoming financially incapable. If a power of attorney
44 becomes effective upon the occurrence of a specified future event or contingency, the power of at-
45 torney may designate a person or persons to determine whether the specified event or contingency

1 has occurred, and the manner in which the determination must be made. A person designated by a
2 power of attorney to determine whether the principal is financially incapable is the principal's per-
3 sonal representative for the purposes of ORS 192.553 to 192.581 and the federal Health Insurance
4 Portability and Accountability Act privacy regulations, 45 C.F.R. parts 160 and 164.

5 (3) If a power of attorney becomes effective upon the principal becoming financially incapable
6 and either the power of attorney does not designate a person or persons to make the determination
7 as to whether the principal is financially incapable or none of the designated persons is willing or
8 able to make the determination, a determination that the principal is financially incapable may be
9 made by any physician. The physician's determination must be made in writing.

10 (4) All acts done by an agent under a power of attorney during a period in which the principal
11 is financially incapable have the same effect, and inure to the benefit of and bind the principal, as
12 though the principal were not financially incapable.

13 (5) If a conservator is appointed for a principal, the agent shall account to the conservator,
14 rather than to the principal, for so long as the conservatorship lasts. The conservator has the same
15 power that the principal would have to revoke, suspend or terminate all or any part of the power
16 of attorney.

17 (6) This section does not apply to [*powers of attorney for health care executed under*] ORS 127.505
18 to 127.660 [*and 127.995*].

19 **SECTION 11.** ORS 127.520 is amended to read:

20 127.520. (1) Except as provided in ORS 127.635 or as may be allowed by court order, the fol-
21 lowing persons may not serve as health care representatives:

22 (a) If unrelated to the principal by blood, marriage or adoption:

23 (A) The attending physician **or attending health care provider of the principal**, or an em-
24 ployee of the attending physician **or attending health care provider of the principal**; or

25 (B) An owner, operator or employee of a health care facility in which the principal is a patient
26 or resident, unless the health care representative was appointed before the principal's admission to
27 the facility; or

28 (b) A person who is the principal's parent or former guardian [*and*] **if**:

29 (A) At any time while the principal was under the care, custody or control of the person, a court
30 entered an order:

31 (i) Taking the principal into protective custody under ORS 419B.150; or

32 (ii) Committing the principal to the legal custody of the Department of Human Services for care,
33 placement and supervision under ORS 419B.337; and

34 (B) The court entered a subsequent order that:

35 (i) The principal should be permanently removed from the person's home, or continued in sub-
36 stitute care, because it was not safe for the principal to be returned to the person's home, and no
37 subsequent order of the court was entered that permitted the principal to return to the person's
38 home before the principal's wardship was terminated under ORS 419B.328; or

39 (ii) Terminated the person's parental rights under ORS 419B.500 and 419B.502 to 419B.524.

40 (2) A principal, while not incapable, may petition the court to remove a prohibition [*contained*]
41 **described** in subsection (1)(b) of this section.

42 (3) A capable adult may disqualify any other person from making health care decisions for the
43 capable adult. The disqualification must be in writing and signed by the capable adult. The dis-
44 qualification must specifically designate those persons who are disqualified.

45 (4) A health care representative whose authority has been revoked by a court is disqualified.

1 (5) A health care provider who has actual knowledge of a disqualification may not accept a
2 health care decision from [a] **the** disqualified [*individual*] **person**.

3 (6) A person who has been disqualified from making health care decisions for a principal, and
4 who is aware of that disqualification, may not make health care decisions for the principal.

5 **SECTION 12.** ORS 127.525 is amended to read:

6 127.525. [*For an appointment under a power of attorney for health care to be effective, the*
7 *attorney-in-fact must accept the appointment in writing. Subject to the right of the attorney-in-fact to*
8 *withdraw, the acceptance imposes a duty on the attorney-in-fact to make health care decisions on behalf*
9 *of the principal at such time as the principal becomes incapable. Until the principal becomes inca-*
10 *pable, the attorney-in-fact may withdraw by giving notice to the principal. After the principal becomes inca-*
11 *pable, the attorney-in-fact may withdraw by giving notice to the health care provider.] **For an ap-**
12 **pointment of a health care representative or an alternate health care representative in a**
13 **form adopted under section 3 of this 2017 Act or in the form set forth in section 5 of this 2017**
14 **Act to be effective, the health care representative or the alternate health care representative**
15 **must accept the appointment as described in ORS 127.510. Subject to the right of the health**
16 **care representative or an alternate health care representative to withdraw, the acceptance**
17 **imposes a duty on the health care representative or an alternate health care representative**
18 **to make health care decisions on behalf of the principal as described in ORS 127.510. Until**
19 **the principal becomes incapable, the health care representative or an alternate health care**
20 **representative may withdraw by giving notice to the principal. After the principal becomes**
21 **incapable, the health care representative or an alternate health care representative may**
22 **withdraw by giving notice to the health care provider.***

23 **SECTION 13.** ORS 127.535 is amended to read:

24 127.535. (1) [*The*] **A** health care representative has [*all the*] authority over the principal's health
25 care that the principal would have if **the principal were** not incapable, subject to the limitations
26 of the appointment and ORS 127.540 and 127.580. A health care representative who is known to
27 [*the*] **a** health care provider to be available to make health care decisions has priority over any
28 person other than the principal to act for the principal [*in all*] **with respect to** health care deci-
29 sions. A health care representative has authority to make a health care decision for a principal only
30 when the principal is incapable.

31 (2) A health care representative is not personally responsible for the cost of health care pro-
32 vided to the principal solely because the health care representative makes health care decisions for
33 the principal.

34 (3) Except to the extent **that** the right is limited by the appointment or [*any*] **by** federal law
35 **or regulation**, a health care representative for an incapable principal has the same right as the
36 principal to receive information regarding the proposed health care, to receive and review medical
37 records and to consent to the disclosure of medical records. The right of the health care represen-
38 tative to receive [*this*] information **as described in this section** is not a waiver of any evidentiary
39 privilege or any right to assert confidentiality with respect to others.

40 (4) In making health care decisions, [*the*] **a** health care representative has a duty to act con-
41 sistent with the desires of the principal as expressed in the principal's advance directive, or as
42 otherwise made known by the principal to the health care representative [*at any time*]. If the
43 principal's [*desires*] **preferences** are unknown, [*the*] **a** health care representative has a duty to act
44 in [*what*] **a manner that** the health care representative in good faith believes to be **in** the best in-
45 terests of the principal.

1 (5) ORS 127.505 to 127.660 do not authorize a health care representative or health care provider
 2 to withhold or withdraw life-sustaining procedures or artificially administered nutrition and hy-
 3 dration *[in any situation]* if the principal manifests an objection to the health care decision. If the
 4 principal objects to *[such a]* **the** health care decision, the health care provider shall proceed as
 5 though the principal *[were]* **is** capable *[for the purposes of]* **with respect to** the health care decision
 6 *[objected to]*.

7 (6) An *[instrument that would be a valid]* advance directive **or form appointing a health care**
 8 **representative that would be valid** except that the *[instrument is not a form described in ORS*
 9 *127.515, has]* **advance directive or form appointing a health care representative is** expired, is
 10 not properly witnessed or otherwise fails to meet the formal requirements of ORS 127.505 to 127.660
 11 shall constitute evidence of the patient's desires and interests.

12 (7) A health care representative is a personal representative for the purposes of ORS 192.553 to
 13 192.581 and the federal Health Insurance Portability and Accountability Act privacy regulations, 45
 14 C.F.R. parts 160 and 164.

15 **SECTION 14.** ORS 127.545 is amended to read:

16 127.545. (1) An advance directive or a health care decision by a health care representative may
 17 be revoked:

18 (a) If the advance directive or health care decision involves the decision to withhold or with-
 19 draw life-sustaining procedures or artificially administered nutrition and hydration, at any time and
 20 in any manner by which the principal is able to communicate the intent to revoke; or

21 (b) At any time and in any manner by a capable principal.

22 (2) Revocation is effective upon communication by the principal to the **principal's** attending
 23 physician *[or]*, **attending** health care provider*[, or to the]* **or** health care representative. If the re-
 24 vocation is communicated **by the principal** to the **principal's** health care representative, and the
 25 principal is incapable and is under the care of a health care provider known to the **health care**
 26 representative, the health care representative must promptly inform the **principal's** attending phy-
 27 sician or **attending** health care provider of the revocation.

28 (3) Upon learning *[of the revocation, the health care provider or attending physician shall]* **about**
 29 **a revocation of a health care decision, an attending physician or attending health care pro-**
 30 **vider must** cause the revocation to be made a part of the principal's medical records.

31 *[(4) Execution of a valid power of attorney for health care revokes any prior power of attorney for*
 32 *health care. Unless the health care instruction provides otherwise, execution of a valid health care in-*
 33 *struction revokes any prior health care instruction.]*

34 **(4) Unless the advance directive provides otherwise:**

35 **(a) Execution of an advance directive revokes any prior advance directive; and**

36 *[(5)]* **(b)** *[Unless the advance directive provides otherwise,]* The directions *[as]* **with respect to**
 37 health care decisions in *[a valid]* **an** advance directive supersede:

38 *[(a)]* **(A)** Any directions contained in a previous court appointment or advance directive; and

39 *[(b)]* **(B)** Any prior inconsistent expression of *[desires]* **preferences** with respect to health care
 40 decisions.

41 *[(6) Unless the power of attorney for health care provides otherwise, valid appointment of an*
 42 *attorney-in-fact for health care supersedes:]*

43 **(5) Unless the form appointing a health care representative provides otherwise:**

44 **(a) Execution of a form appointing a health care representative revokes any prior form**
 45 **appointing a health care representative;**

1 **(b) Valid appointment of a health care representative or an alternate health care repre-**
2 **sentative under ORS 127.510 supersedes:**

3 [(a)] **(A)** Any power of a guardian or other person appointed by a court to make health care
4 decisions for the protected person; and

5 [(b)] **(B)** Any other prior appointment or designation of a health care representative[.]; **and**

6 [(7) *Unless the power of attorney for health care expressly provides otherwise, a power of attorney*
7 *for health care is suspended.*]

8 **(c) A form appointing a health care representative is suspended:**

9 [(a)] **(A)** If [both the attorney-in-fact and the alternative attorney-in-fact] **the appointed health**
10 **care representative and all appointed alternate health care representatives** have withdrawn;
11 or

12 [(b)] **(B)** If the [power of attorney] **form appointing a health care representative** names the
13 principal's spouse as [attorney-in-fact] **the health care representative or an alternate health care**
14 **representative**, a petition for dissolution or annulment of marriage is filed and the principal does
15 not reaffirm the appointment [in writing] after the filing of the petition.

16 [(8)(a)] **(6)(a)** If the principal has both a valid [health care instruction] **advance directive** and a
17 valid [power of attorney for health care] **form appointing a health care representative**, and if the
18 directions reflected in those documents are inconsistent, the document last executed governs to the
19 extent of the inconsistency.

20 (b) If the principal has both a valid [health care instruction] **advance directive**, or a valid [power
21 of attorney for health care] **form appointing a health care representative**, and a declaration for
22 mental health treatment made in accordance with ORS 127.700 to 127.737, and if the directions re-
23 flected in those documents are inconsistent, the [directions contained in the] declaration for mental
24 health treatment governs to the extent of the inconsistency.

25 [(9)] **(7)** Any reinstatement of an advance directive **or a form appointing a health care rep-**
26 **resentative** must be in writing.

27 **SECTION 15.** ORS 127.550 is amended to read:

28 127.550. (1) A health care decision made by [an individual] **a person** who is authorized to make

30 judicial approval.

31 (2) A petition may be filed under ORS 127.505 to 127.660 [and 127.995] for [any] one or more of
