28 **the account is withdrawn or applied against the costs of the pension or other retirement**  
29 **benefits payable to the member.**

30 (3) **Unless the amounts in an account established under this section are withdrawn under**  
31 **section 6 of this 2017 Act, the amounts in the account shall be applied by the board to pay**  
32 **the costs of the pension or other retirement benefits payable to or on behalf of the member**  
33 **that accrue on or after January 1, 2018.**

34 **SECTION 6.** (1) **An inactive member may elect to receive a distribution of the amounts**  
35 **in the member's account established under section 5 of this 2017 Act if the inactive member**  
36 **has separated from all service with participating public employers and with employers who**  
37 **are treated as part of a participating public employer's controlled group under the federal**  
38 **laws and rules governing the status of the Public Employees Retirement System and the**  
39 **Public Employees Retirement Fund as a qualified governmental retirement plan and trust.**

41 **who is eligible to withdraw from the pension program under ORS 238A.120 may make an**  
42 **election under this section only if the member also withdraws from the pension program.**

43 **SECTION 7.** ORS 238A.320 is amended to read:

44 238A.320. (1) A member of the individual account program becomes vested in the employee ac-  
45 count established for the member under ORS 238A.350 (2) on the date the employee account is es-

1 tablished.

2 (2) A member who makes rollover contributions becomes vested in the rollover account estab-  
3 lished for the member under ORS 238A.350 (4) on the date the rollover account is established.

4 (3) Except as provided in subsection (4) of this section, if an employer makes employer contri-  
5 butions for a member under ORS 238A.340 the member becomes vested in the employer account es-  
6 tablished under ORS 238A.350 (3) on the earliest of the following dates:

7 (a) The date on which the member completes at least 600 hours of service in each of five cal-  
8 endar years. The five calendar years need not be consecutive, but are subject to the provisions of  
9 subsection (5) of this section.

10 (b) The date on which an active member reaches the normal retirement age for the member  
11 under ORS 238A.160.

16 (4) If on the date that a person becomes an active member the person has already reached the  
17 normal retirement age for the person under ORS 238A.160, and the employer makes employer con-  
18 tributions for the member under ORS 238A.340, the person is vested in the employer account es-

20 (5) If a member of the individual account program who is not vested in the employer account  
21 performs fewer than 600 hours of service in each of five consecutive calendar years, hours of service  
22 performed before the first calendar year of the period of five consecutive calendar years shall be  
23 disregarded for purposes of determining whether the member is vested under subsection (3)(a) of this  
24 section.

25 (6) Solely for purposes of determining whether a member is vested under subsection (3)(a) of this  
26 section, hours of service include creditable service, as defined in ORS 238.005, performed by the  
27 person before the person became an eligible employee, as long as the membership of the person  
28 under ORS chapter 238 has not been terminated under the provisions of ORS 238.095 on the date  
29 the person becomes an eligible employee.

30 **(7) A member becomes vested in the account established for the member under section**  
31 **5 of this 2017 Act on the date the account is established.**

32 **SECTION 8.** ORS 238A.025 is amended to read:

33 238A.025. (1) The Oregon Public Service Retirement Plan is established. The purpose of the  
34 Oregon Public Service Retirement Plan is to provide career public employees with a secure and fair  
35 retirement income at an affordable, stable and predictable cost to the taxpayers. [*The Oregon Public*  
36 *Service Retirement Plan is composed of a pension program and an individual account program.*] The  
37 pension program and the individual account program **of the Oregon Public Service Retirement**  
38 **Plan** are separate accounts for purposes of federal income tax qualification, and the assets of each  
39 program must be held as part of the trust established by ORS 238.660 for the exclusive benefit of  
40 the participants and beneficiaries. It is the intent of the Legislative Assembly that pursuant to sec-  
41 tion 414(k) of the Internal Revenue Code the individual account program be established and main-  
42 tained as a tax-qualified defined contribution governmental plan for the purposes of sections 72(d)  
43 and 415 of the Internal Revenue Code. The Public Employees Retirement Board may create separate  
44 accounts within the Public Employees Retirement Fund for the pension program and the individual  
45 account program.

1 (2) Notwithstanding any provision of ORS chapter 238, any person who is employed by a par-  
2 ticipating public employer on or after August 29, 2003, and who has not established membership in  
3 the Public Employees Retirement System before August 29, 2003, is entitled to receive only the  
4 benefits provided under the Oregon Public Service Retirement Plan for periods of service with par-  
5 ticipating public employers on and after August 29, 2003, and has no right or claim to any benefit  
6 under ORS chapter 238 except as specifically provided by this chapter.

7 (3) Any person who is a member of the Public Employees Retirement System on August 28, 2003,  
8 is entitled to receive the benefits provided by ORS chapter 238 for all service performed before, on  
9 and after August 29, 2003, unless the person's membership in the system is subsequently terminated  
10 under ORS 238.095. If the person's membership in the system is terminated under ORS 238.095 on  
11 or after August 29, 2003, the person is entitled to receive the benefits provided under the Oregon  
12 Public Service Retirement Plan for periods of service with participating public employers after the  
13 termination of membership.

14 (4) A person establishes membership in the system before August 29, 2003, for the purposes of  
15 this section if:

16 (a) The person is a member of the system, or a judge member of the system, on August 28, 2003;  
17 or

18 (b) The person performed any period of service for a participating public employer before August  
19 29, 2003, that is credited to the six-month period of employment required of an employee under ORS  
20 238.015 before an employee may become a member of the system.

21 (5) Except as provided in this chapter, ORS chapter 238 does not apply to the Oregon Public  
22 Service Retirement Plan.

23 (6) The provisions of this section do not apply to a person elected or appointed as a judge as  
24 defined in ORS 238.500.

25 **SECTION 9.** ORS 238.229 is amended to read:

26 238.229. (1) If a participating public employer is grouped with any other public employer for the  
27 purpose of computing employer contributions under ORS 238.225 and the individual public employer  
28 makes a lump sum payment that is in addition to the normal employer contribution of the public  
29 employer, the Public Employees Retirement Board shall adjust the amount of employer contributions  
30 to be made by the individual public employer to ensure that the benefit of the lump sum payment  
31 accrues only to the individual public employer making the payment. An individual public employer  
32 that makes a lump sum payment under the provisions of this subsection shall remain grouped with  
33 other public employers as provided by ORS 238.227 and 238A.220 for the purpose of all liabilities  
34 of the employer that are not paid under this subsection. The board by rule may establish a minimum  
35 lump sum payment that must be made by an individual public employer before adjusting employer  
36 contributions under this subsection. Notwithstanding any minimum lump sum payment established  
37 by the board, the board must allow an individual public employer to make a lump sum payment un-  
38 der this subsection if the payment is equal to the full amount of the individual public employer's  
39 accrued unfunded liabilities under this section and ORS chapter 238A.

40 (2) The board shall establish a separate account within the Public Employees Retirement Fund  
41 for each lump sum payment made under this section by an individual public employer. The board  
42 shall credit to each account all interest and other income received from investment of the account  
43 funds during the calendar year. Except as provided in subsection (3) of this section, the board may  
44 not collect any administrative expense or other charge from the account or from earnings on the  
45 account. Except as provided in subsections (5) and (6) of this section, the account shall be used to

1 offset contributions to the system that the public employer would otherwise be required to make for  
2 the liabilities against which the lump sum payment is applied.

3 (3) The board may charge a participating public employer expenses for administration of an ac-  
4 count established under subsection (2) of this section in an amount not to exceed \$2,500 for the  
5 calendar year in which the account is established and for the immediately following two calendar  
6 years, and in an amount not to exceed \$1,000 per year for all subsequent years.

7 (4) If a participating public employer has any liabilities that are attributable to creditable ser-  
8 vice by employees of the employer before the participating public employer was grouped with other  
9 public employers under ORS 238.227, whether under this section or pursuant to board rule, any lump  
10 sum payment made under this section must be applied first against those liabilities, with the oldest  
11 liability being paid first. Any amounts remaining after application under this subsection must be  
12 deposited in a separate account established under subsection (2) of this section.

13 (5) Except as provided in subsection (6) of this section, if the board determines at any time after  
14 an actuarial study that the amounts in an account established under subsection (2) of this section  
15 exceed the amounts necessary to fund the employer's actuarial liabilities under the system, upon  
16 request of the employer, the board shall apply the excess amounts to offset contributions [*to the in-*  
17 *dividual account program*] that the employer has agreed to pay under ORS 238A.335 or 238A.340.  
18 The board may apply excess amounts to offset contributions [*to the individual account program*] un-  
19 der this subsection only to the extent that the application will not result in the balance in the ac-  
20 count being reduced to less than the outstanding principal balance owed on the bonds issued to fund  
21 the account. If the request is made by a school district, the school district must attach to the re-  
22 quest a copy of a resolution adopted by the district school board for the district authorizing the  
23 request. The board shall adopt rules governing offsets under the provisions of this subsection.

24 (6) The board shall apply any excess amounts in an account established under subsection (2) of  
25 this section to offset contributions [*to the individual account program*] pursuant to subsection (5) of  
26 this section only if the board has determined that applying the excess amounts does not cause the  
27 system or the Public Employees Retirement Fund to lose qualification as a qualified governmental  
28 retirement plan and trust under the Internal Revenue Code and under regulations adopted pursuant  
29 to the Internal Revenue Code.

30 **SECTION 10.** ORS 238.265 is amended to read:

31 238.265. (1) Except as otherwise provided in this section, a member of the Public Employees  
32 Retirement System may withdraw from the Public Employees Retirement Fund the amount credited  
33 to the member account, if any, for the member if:

34 (a) The member is separated from all service with participating public employers;

35 (b) The member is separated from all service with employers who are treated as part of a par-  
36 ticipating public employer's controlled group under the federal laws and rules governing the status  
37 of the system and the fund as a qualified governmental retirement plan and trust;

38 (c) The member has not attained earliest service retirement age; and

39 (d) The separation from service is not by reason of death or disability.

40 (2) If a member wishes to withdraw the member account, if any, of the member under this sec-  
41 tion, the member must transmit to the Public Employees Retirement Board a withdrawal request.  
42 The board shall deny the withdrawal, or shall take all reasonable steps to recover withdrawn  
43 amounts, if:

44 (a) The board determines that the separation is not a bona fide separation; or

45 (b) The member fails to remain absent from the service of all employers described in subsection

1 (1) of this section for at least one calendar month following the month in which the member sepa-  
 2 rates from service.

3 (3) If a member has contributed to the fund in each of five calendar years and has separated  
 4 from all service in the manner described in subsection (1) of this section before reaching earliest  
 5 service retirement age, the member may elect to withdraw the member account of the member under  
 6 this section at any time before reaching earliest service retirement age. If the inactive member does  
 7 not make an election to withdraw under this section, the member shall be paid the benefits or re-  
 8 tirement allowances described in ORS 238.425.

9 (4) A member who is vested in the pension program established under ORS chapter 238A and  
 10 who is eligible to withdraw from the pension program under ORS 238A.120 may withdraw a member  
 11 account under this section only if the member also withdraws from the pension program. A member  
 12 who has an individual account or accounts in the individual account program established under ORS  
 13 chapter 238A **or an account under section 5 of this 2017 Act** may withdraw a member account  
 14 under this section only if the member also withdraws all [*individual*] accounts pursuant to ORS  
 15 238A.375 **and section 6 of this 2017 Act**. A member who has an account established under ORS  
 16 238.440 may withdraw a member account under this section only if the member also withdraws the  
 17 account established under ORS 238.440.

18 (5) Withdrawal of a member account under this section cancels all membership rights in the  
 19 system, including the right to claim credit for any employment before withdrawal.

20 **SECTION 11.** ORS 238.660 is amended to read:

21 238.660. (1) The Public Employees Retirement Fund is declared to be a trust fund, separate and  
 22 distinct from the General Fund, for the uses and purposes set forth in this chapter and ORS chapter  
 23 238A and ORS 237.950 to 237.980, and for no other use or purpose, except that this provision shall  
 24 not be deemed to amend or impair the force or effect of any law of this state specifically authorizing  
 25 the investment of moneys from the fund. Interest earned by the fund shall be credited to the fund.  
 26 Except as otherwise specifically provided by law, the Public Employees Retirement Board estab-  
 27 lished by ORS 238.630 is declared to be the trustee of the fund. Consistent with the legislative intent  
 28 expressed in ORS 238.601, and to the extent it is consistent with the board's fiduciary duties, the  
 29 board shall give equal consideration to the interests of participating public employers and the in-  
 30 terests of members. Nothing in this subsection shall be construed to impose a fiduciary duty on the  
 31 board to consider the interests of public employers, and the board shall consider the interests of  
 32 public employers only with respect to matters unrelated to the board's fiduciary duties as trustee  
 33 of the fund.

34 (2) Until all liabilities to members and their beneficiaries are satisfied, assets of the fund may  
 35 not be diverted or otherwise put to any use that is not for the exclusive benefit of members and  
 36 their beneficiaries. This subsection does not limit return of employer contributions for health bene-  
 37 fits in the manner provided by ORS 238.410, 238.415 and 238.420 upon satisfaction of all liabilities  
 38 for health benefits under those sections.

39 (3) The State of Oregon and other public employers that make contributions to the fund have  
 40 no proprietary interest in the fund or in the contributions made to the fund by them. The state and  
 41 other public employers disclaim any right to reclaim those contributions and waive any right of  
 42 reclamation they may have in the fund. This subsection does not prohibit alteration or refund of  
 43 employer contributions if the alteration or refund is authorized under this chapter or ORS chapter  
 44 238A and is due to erroneous payment or decreased liability for employer contributions under the  
 45 system. This subsection does not prohibit the offset of contributions [*to the individual account pro-*

1 *gram*] under ORS 238.229 (5).

2 (4) The board may accept gifts of money or other property from any source, given for the uses  
3 and purposes of the system. Money so received shall be paid into the fund. Money or other property  
4 so received shall be used for the purposes for which received. Unless otherwise prescribed by the  
5 source from which the money or other property is received, the money shall be considered as income  
6 of the fund and the other property shall be retained, managed and disposed of as are investments  
7 of the fund.

8 (5) All moneys paid into the fund shall be deposited with the State Treasurer, who shall be  
9 custodian of the fund and pay all warrants drawn on it in compliance with law. No such warrant  
10 shall be paid until the claim for which it is drawn is first approved by the director or designee and  
11 otherwise audited and verified as required by law. Monthly, each beneficiary's gross benefit shall  
12 be calculated; applicable deductions made for taxes, insurance and other withholdings; and the net  
13 amount paid to the beneficiary, by check or by electronic funds transfer (EFT) to the beneficiary's  
14 bank. A deduction summary shall be made, by type, and a check issued for the aggregate of each  
15 type for transmittal to the appropriate taxing jurisdiction, vendor or institution. A voucher shall be  
16 prepared and transmitted to the Oregon Department of Administrative Services for reimbursement  
17 of the checking account, and the department shall draw a warrant on the State Treasurer, payable  
18 to the Public Employees Retirement System, for the amount thereof.

19 (6) Any warrant, check or order for the payment of benefits or refunds under the system out of  
20 the fund issued by the board which is canceled, declared void or otherwise made unpayable pursuant  
21 to law because it is outstanding and unpaid for a period of more than two years, may be reissued  
22 by the board without bond if the payee is located after such warrant, check or order is canceled,  
23 declared void or otherwise made unpayable pursuant to law.

24 (7) All references in this chapter to checks or warrants are subject to the provisions of ORS  
25 291.001.

26 (8) The board shall provide for an annual audit of the retirement fund and for an annual report  
27 to the Legislative Assembly and to all members of, retirees of, and all employers participating in,  
28 the system. The annual report must contain financial statements prepared in accordance with gen-  
29 erally accepted accounting principles. The financial statements must include the report of any in-  
30 dependent auditor.

31 (9) The board may review legislative proposals for changes in the benefits provided under this  
32 chapter and ORS chapter 238A and may make recommendations to committees of the Legislative  
33 Assembly on those proposed changes. In making recommendations under this subsection, the board  
34 acts as a policy advisor to the Legislative Assembly and not as a fiduciary. In making recommen-  
35 dations under this subsection on the Oregon Public Service Retirement Plan established by ORS  
36 chapter 238A, the board shall seek to maintain the balance between benefits and costs, and the  
37 relative risk borne by employers and employees with respect to investment performance, reflected  
38 in ORS chapter 238A as in effect on January 1, 2004.

39 (10) The board shall appoint a committee to advise the board on legislative proposals for  
40 changes in the benefits provided under this chapter and ORS chapter 238A. The committee must  
41 have an equal number of members representing labor and management. No costs of reviewing leg-  
42 islative proposals and making recommendations under this subsection may be charged to the fund.  
43 Any member of the committee who is an active member of the system shall be released by the par-  
44 ticipating public employer who employs the member for the purpose of conducting the official busi-  
45 ness of the committee, and the wages or salary of the member may not be reduced by the employer

1 during periods that the member is released from duty for the purpose of conducting the official  
2 business of the committee.
