11 (2) Late enrollees in a small employer health benefit plan may be subjected to a group eligibility  
12 waiting period that does not exceed 90 days.

13 (3) Each small employer health benefit plan shall be renewable with respect to all eligible

23 (e) The carrier discontinues both offering and renewing all of its small employer health benefit

27 to all policyholders covered by the plans;

28 (B) May not cancel coverage under the plans for 180 days after the date of the notice required  
29 under subparagraph (A) of this paragraph if coverage is discontinued in the entire state or, except

31 (C) May not cancel coverage under the plans for 90 days after the date of the notice required  
32 under subparagraph (A) of this paragraph if coverage is discontinued in a specified service area  
33 because of an inability to reach an agreement with the health care providers or organization of  
34 health care providers to provide services under the plans within the service area.

35 (f) The carrier discontinues both offering and renewing a small employer health benefit plan in  
36 a specified service area within this state because of an inability to reach an agreement with the  
37 health care providers or organization of health care providers to provide services under the plan  
38 within the service area. In order to discontinue a plan under this paragraph, the carrier:

39 (A) Must give notice to the department and to all policyholders covered by the plan;

40 (B) May not cancel coverage under the plan for 90 days after the date of the notice required  
41 under subparagraph (A) of this paragraph; and

42 (C) Must offer in writing to each small employer covered by the plan, all other small employer  
43 health benefit plans that the carrier offers to small employers in the specified service area. The  
44 carrier shall issue any such plans pursuant to the provisions of ORS 743B.010 to 743B.013. The  
45 carrier shall offer the plans at least 90 days prior to discontinuation.

1 (g) The carrier discontinues both offering and renewing a health benefit plan, other than a  
2 grandfathered health plan, for all small employers in this state or in a specified service area within  
3 this state, other than a plan discontinued under paragraph (f) of this subsection.

4 (h) The carrier discontinues both offering and renewing a grandfathered health plan for all small  
5 employers in this state or in a specified service area within this state, other than a plan discontin-

7 (i) With respect to plans that are being discontinued under paragraph (g) or (h) of this sub-  
8 section, the carrier must:

9 (A) Offer in writing to each small employer covered by the plan, all other health benefit plans

12 (C) Offer the plans at least 90 days prior to discontinuation.

13 (D) Act uniformly without regard to the claims experience of the affected policyholders or the  
14 health status of any current or prospective enrollee.

15 (j) The Director of the Department of Consumer and Business Services orders the carrier to  
16 discontinue coverage in accordance with procedures specified or approved by the director upon  
17 finding that the continuation of the coverage would:

18 (A) Not be in the best interests of the enrollees; or

19 (B) Impair the carrier's ability to meet contractual obligations.

20 (k) In the case of a small employer health benefit plan that delivers covered services through  
21 a specified network of health care providers, there is no longer any enrollee who lives, resides or  
22 works in the service area of the provider network.

23 (L) In the case of a health benefit plan that is offered in the small employer market only to one  
24 or more bona fide associations, the membership of an employer in the association ceases and the  
25 termination of coverage is not related to the health status of any enrollee.

26 (4) A carrier may modify a small employer health benefit plan at the time of coverage renewal.  
27 The modification is not a discontinuation of the plan under subsection (3)(e), (g) and (h) of this sec-  
28 tion.

29 (5) Notwithstanding any provision of subsection (3) of this section to the contrary, a carrier may  
30 not rescind the coverage of an enrollee in a small employer health benefit plan unless:

31 (a) The enrollee or a person seeking coverage on behalf of the enrollee:

36 scribed by the department, to the enrollee; and

37 (c) The carrier provides notice of the rescission to the department in the form, manner and time  
38 frame prescribed by the department by rule.

39 (6) Notwithstanding any provision of subsection (3) of this section to the contrary, a carrier may  
40 not rescind a small employer health benefit plan unless:

41 (a) The small employer or a representative of the small employer:

42 (A) Performs an act, practice or omission that constitutes fraud; or

43 (B) Makes an intentional misrepresentation of a material fact as prohibited by the terms of the  
44 plan;

45 (b) The carrier provides at least 30 days' advance written notice, in the form and manner pre-

1 scribed by the department, to each plan enrollee who would be affected by the rescission of cover-  
2 age; and

3 (c) The carrier provides notice of the rescission to the department in the form, manner and time  
4 frame prescribed by the department by rule.

5 (7)(a) A carrier may continue to enforce reasonable employer participation and contribution re-  
6 quirements on small employers. However, participation and contribution requirements shall be ap-  
7 plied uniformly among all small employer groups with the same number of eligible employees  
8 applying for coverage or receiving coverage from the carrier. In determining minimum participation  
9 requirements, a carrier shall count only those employees who are not covered by an existing group  
10 health benefit plan, Medicaid, Medicare, TRICARE, Indian Health Service or a publicly sponsored  
11 or subsidized health plan, including but not limited to the medical assistance program under ORS  
12 chapter 414.

13 (b) A carrier may not deny a small employer's application for coverage under a health benefit  
14 plan based on participation or contribution requirements but may require small employers that do  
15 not meet participation or contribution requirements to enroll during the open enrollment period  
16 beginning November 15 and ending December 15.

17 (8) Premium rates for small employer health benefit plans, except grandfathered health plans,  
18 shall be subject to the following provisions:

19 (a) Each carrier must file with the department the initial geographic average rate and any  
20 changes in the geographic average rate with respect to each health benefit plan issued by the car-  
21 rier to small employers.

22 (b)(A) The variations in premium rates charged during a rating period for health benefit plans  
23 issued to small employers shall be based solely on the factors specified in subparagraph (B) of this  
24 paragraph. A carrier may elect which of the factors specified in subparagraph (B) of this paragraph  
25 apply to premium rates for health benefit plans for small employers. All other factors must be ap-  
26 plied in the same actuarially sound way to all small employer health benefit plans.

27 (B) The variations in premium rates described in subparagraph (A) of this paragraph may be  
28 based only on one or more of the following factors as prescribed by the department by rule:

29 (i) The ages of enrolled employees and their dependents, except that the rate for adults may not  
30 vary by more than three to one;

31 (ii) The level at which enrolled employees and their dependents [*18 years of age and older*] en-  
32 gage in tobacco use, except that the rate may not vary by more than 1.5 to one; and

33 (iii) Adjustments to reflect differences in family composition.

34 (C) A carrier shall apply the carrier's schedule of premium rate variations as approved by the  
35 department and in accordance with this paragraph. Except as otherwise provided in this section, the  
36 premium rate established by a carrier for a small employer health benefit plan shall apply uniformly  
37 to all employees of the small employer enrolled in that plan.

38 (c) Except as provided in paragraph (b) of this subsection, the variation in premium rates be-  
39 tween different health benefit plans offered by a carrier to small employers must be based solely on  
40 objective differences in plan design or coverage, age, tobacco use and family composition and must  
41 not include differences based on the risk characteristics of groups assumed to select a particular  
42 health benefit plan.

43 (d) A carrier may not increase the rates of a health benefit plan issued to a small employer more  
44 than once in a 12-month period. Annual rate increases shall be effective on the plan anniversary  
45 date of the health benefit plan issued to a small employer. The percentage increase in the premium

1 rate charged to a small employer for a new rating period may not exceed the sum of the following:

2 (A) The percentage change in the geographic average rate measured from the first day of the  
3 prior rating period to the first day of the new period; and

4 (B) Any adjustment attributable to changes in age and differences in family composition.

5 (9) Premium rates for grandfathered health plans shall be subject to requirements prescribed by  
6 the department by rule.

7 (10) In connection with the offering for sale of any health benefit plan to a small employer, each  
8 carrier shall make a reasonable disclosure as part of its solicitation and sales materials of:

9 (a) The full array of health benefit plans that are offered to small employers by the carrier;

10 (b) The authority of the carrier to adjust rates and premiums, and the extent to which the car-  
11 rier considers age, tobacco use, family composition and geographic factors in establishing and ad-  
12 justing rates and premiums; and

13 (c) The benefits and premiums for all health insurance coverage for which the employer is  
14 qualified.

15 (11)(a) Each carrier shall maintain at its principal place of business a complete and detailed  
16 description of its rating practices and renewal underwriting practices relating to its small employer  
17 health benefit plans, including information and documentation that demonstrate that its rating  
18 methods and practices are based upon commonly accepted actuarial practices and are in accordance  
19 with sound actuarial principles.

20 (b) A carrier offering a small employer health benefit plan shall file with the department at least  
21 once every 12 months an actuarial certification that the carrier is in compliance with ORS 743B.010  
22 to 743B.013 and that the rating methods of the carrier are actuarially sound. Each certification shall  
23 be in a uniform form and manner and shall contain such information as specified by the department.  
24 A copy of each certification shall be retained by the carrier at its principal place of business. A  
25 carrier is not required to file the actuarial certification under this paragraph if the department has  
26 approved the carrier's rate filing within the preceding 12-month period.

27 (c) A carrier shall make the information and documentation described in paragraph (a) of this  
28 subsection available to the department upon request. Except as provided in ORS 743.018 and except  
29 in cases of violations of ORS 743B.010 to 743B.013, the information shall be considered proprietary  
30 and trade secret information and shall not be subject to disclosure to persons outside the depart-  
31 ment except as agreed to by the carrier or as ordered by a court of competent jurisdiction.

32 (12) A carrier shall not provide any financial or other incentive to any insurance producer that  
33 would encourage the insurance producer to sell health benefit plans of the carrier to small employer  
34 groups based on a small employer group's anticipated claims experience.

35 (13) For purposes of this section, the date a small employer health benefit plan is continued shall  
36 be the anniversary date of the first issuance of the health benefit plan.

37 (14) A carrier must include a provision that offers coverage to all eligible employees of a small  
38 employer and to all dependents of the eligible employees to the extent the employer chooses to offer  
39 coverage to dependents.

40 (15) All small employer health benefit plans shall contain special enrollment periods during  
41 which eligible employees and dependents may enroll for coverage, as provided by federal law and  
42 rules adopted by the department.

43 (16) A small employer health benefit plan may not impose annual or lifetime limits on the dollar  
44 amount of essential health benefits.

43 (1) The period of suspension shall last as long as provided for that particular suspension by law.

44 (2) During the period of suspension, the person is not entitled to exercise any driving privileges

8 the driving privileges.

9 (4) The department may not issue any driving privileges in contradiction to this section.

10 (5) If the person fails to surrender to the department any license or driver permit issued as ev-

15 waived by the department. The department may waive the reinstatement fee for any of the following  
16 reasons:

17 (a) The suspension occurred under ORS 809.419 for failure to take an examination upon request  
18 of the department under ORS 807.340.

27 that a person charged with a traffic offense has been found guilty except for insanity.

29 (g) The suspension was the result of an error committed by an insurance company in issuing or  
30 failing to issue a certification of insurance or in canceling a certification of insurance filed with the  
31 department under ORS 806.270.

32 (h) The department issued the suspension without error because the person failed to respond as  
33 required under ORS 806.160 or to furnish proof of exemption under ORS 806.210 from the filing re-  
34 quirement of ORS 806.200, but the department later determines that the person in fact was in com-  
35 pliance with financial responsibility requirements as of the date of the department's letter of  
36 verification under ORS 806.150 or at the time of an accident described in ORS 806.200.

37 (i) The department issued the suspension without error because the person was not in compli-  
38 ance with financial responsibility requirements as of the date of the department's letter of verifica-  
39 tion under ORS 806.150 or at the time of an accident described in ORS 806.200, but the department

41 pliance with financial responsibility requirements on the date of the department's letter of verifica-  
42 tion or at the time of the accident.

44 the department regarding the correctness of a certification under ORS 806.150.

45 (k) The suspension occurred because the person failed to make future responsibility filings but

1 the department later determines that the reason for the failure was that the person was a military  
2 reservist or a member of a national guard unit that was ordered to active military duty to a location  
3 outside of the United States. The effective date of the military orders must be prior to the effective  
4 date of a suspension issued by the department for failure to make a future responsibility filing.

5 (L) The department issued the suspension without error because the department received a no-  
6 tice to suspend from a court under ORS 809.210 or 809.220, but the department later determines that  
7 the person in fact was in compliance with the requirements of the court prior to the effective date  
8 of the suspension.

9 (7) The department shall waive the reinstatement fee for a person whose driving privileges were  
10 suspended under ORS 809.423 [(3)] (2) if the person:
