JOINT MEMORIAL

1
2 To the Senate and the House of Representatives of the United States of America, in Congress as-
3 sembled:

4 We, your memorialists, the Seventy-ninth Legislative Assembly of the State of Oregon, in legis-
5 lative session assembled, respectfully represent as follows:

6 Whereas American elections should be free of the corrupting influence of excessive spending by
7 outside interests and fair enough that any citizen can run for public office; and

8 Whereas the first President of the United States, George Washington, stated, "The basis of our
9 political systems is the right of the people to make and to alter their constitutions of government";
10 and

11 Whereas it was the stated intention of the framers of the United States Constitution that Con-
12 gress should be "dependent on the people alone" (James Madison, Federalist No. 52); and

13 Whereas that dependency has evolved from a dependency on the people alone to a dependency
14 on those who spend excessively in elections, through campaigns or third-party groups; and

15 Whereas the United States Supreme Court ruling in *Citizens United v. Federal Election Com-*
16 *mission* (558 U.S. 310 (2010)) removed restrictions on amounts of independent political spending, and
17 further decisions of the nation's high court both before and afterward have eroded the foundations
18 of representative democracy in America; and

19 Whereas these decisions have resulted in powerful economic forces having unjust influence that
20 supplants the will of the people by undermining our ability to choose political leadership, write our
21 own laws and determine the fate of our state; and

22 Whereas the founding fathers of this nation never intended the rights of natural persons pro-
23 tected in the Constitution of the United States to be applied to artificial entities; and

24 Whereas Congress and the states should be authorized to place limits on political contributions
25 and expenditures to ensure that all citizens have access to the political process and to require that
26 all contributions and expenditures be fully and immediately disclosed to the public; and

27 Whereas Article V of the United States Constitution empowers the people and states of the
28 United States of America to use the constitutional amendment process to correct those egregiously
29 wrong decisions of the United States Supreme Court that undermine the heart of our democracy and
30 republican form of government; and

NOTE: Matter in **boldfaced** type in an amended section is new; matter [*italic and bracketed*] is existing law to be omitted. New sections are in **boldfaced** type.

1 Whereas Article V of the United States Constitution requires Congress to call a convention for
2 proposing amendments to the Constitution upon “the Application of the Legislatures of two thirds
3 of the several States”; and

4 Whereas the State of Oregon sees the need for a convention to propose amendments in order
5 to address concerns such as those raised by the decision of the United States Supreme Court in
6 *Citizens United* and related cases and events long before and afterward addressing a substantially
7 similar purpose, and desires that said convention should be limited to these concerns; and

8 Whereas the State of Oregon desires that the delegates to the convention be composed equally
9 of individuals currently elected to state and local office, or be selected by election in each con-
10 gressional district for the purpose of serving as delegates; and

11 Whereas the State of Oregon desires that individuals elected or appointed to federal office, now
12 or in the past, be prohibited from serving as delegates to the convention, and intends to retain the
13 ability to restrict or expand the power of its own delegates within the limits expressed herein; and

14 Whereas the State of Oregon intends that this be a continuing application considered together
15 with applications calling for a convention adopted or currently pending in other states, including the
16 State of New Jersey, the State of Vermont, the State of Illinois, the State of California and the State
17 of Rhode Island, and future applications until such time as two-thirds of the several states have
18 applied for a convention and said convention is convened by Congress; now, therefore,

19 **Be It Resolved by the Legislative Assembly of the State of Oregon:**

20 (1) We, the members of the Seventy-ninth Legislative Assembly, pursuant to Article V of the
21 United States Constitution, hereby petition Congress to call a convention for the purpose of pro-
22 posing amendments to the United States Constitution relating to the subjects described in the pre-
23 amble of this joint memorial as soon as two-thirds of the several states have applied for a
24 convention.

25 (2) For purposes of determining whether two-thirds of the states have applied for a convention,
26 we intend that this application be aggregated with the applications of any other state legislature
27 that includes any of the subjects set forth in the preamble of this joint memorial.

28 (3) A copy of this memorial shall be sent to the Vice President of the United States, to the
29 Senate Majority Leader, to the Secretary of the Senate, to the Speaker of the House of Represen-
30 tatives, to the Clerk of the House of Representatives, to the Archivist of the United States, to each
31 member of the Oregon Congressional Delegation and to the presiding officers of the legislative
32 chambers in each state of the United States requesting their cooperation in issuing a petition to
33 Congress to call a convention for the purpose of proposing amendments pursuant to Article V of the
34 United States Constitution.
