House Committee on Agriculture and National Resources Representative Brian Clem, Chair

Chair Clem, Vice-Chairs McLain and Sprenger and members of the Committee:

I am a resident of Bend, Oregon who makes frequent use of trails and paths provided for exercise and enjoyment by the Bend Park and Recreation District. House Bill 4029 would ban bridges crossing the Deschutes River from the Central Oregon Irrigation District intake to a location upriver of Sunriver before any serious discussion by local decision makers takes place. This is wrong. I support a healthy debate on the issue, locally, not a legislative decision made in Salem. Do not support this bill.

Sincerely,

Leila Lovdale
