Hon. Chair Burdick, Rules Committee Members:

I urge you to vote no on SB 1512, referring the question of Oregon's participation in National Popular Vote to the voters. While I support National Popular Vote, the referral will be expensive and, with loads of outside money, may kill the idea completely as those of us Oregonians who support it will not be able to compete with that kind of money.

The right vehicle for National Popular Vote is HB 2927. Please have the courage to support that important bill, which is one important step in reviving our democracy at such a critical time. Thank you.

Respectfully,
