

Senators.. I should only request a vote of NO ON SB1512.

Our country is defined and guaranteed by the constitution to be a Republic in all forms, not a democracy. It is essential that the voices of all Oregonians are heard, not just those in the dense population areas.

The electoral college gives the opportunity for those voices to be heard. While not perfect, it is better than mob rule.

Please vote no on this bill.

American jurors have complete Constitutional authority to vote "not guilty" based on nothing more than a disagreement with the case, no matter the evidence - despite the judge's instructions. There is absolutely no obligation to vote "guilty" to arrive at a unanimous verdict. Get on a jury, stand your ground, and fulfill its other main purpose: to counteract abusive government and unjust lawsuits.
