

## **House Health Care Committee:**

I am a 58-year-old Oregonian. I may or may not live to see age 60.

Unlike 98% of Oregonians, I have been hospitalized 8 times in less than 4 years.

Like many Oregonians, I have an advance directive. Right now, it allows me choices as far as what kind of care I want at the end of life.

Sadly, HB 4135 endangers my end-of-life choices by removing the advance directive from statute.

Please, would you protect my healthcare choices by voting “No” on HB 4135?
