

Not only do I oppose the blatant attack on Oregonians rights. I am incensed that Brian Boquist and Kate Brown are being allowed to wreak havoc on our citizens at the behest of Michael Bloomberg. This does not protect Oregonians. It is only a tool for leftists to harass the people of Oregon. Our judicial system is founded concept of innocence until the proof of guilt. This bill leaves no room for the accused to defend themselves. This Is a tool to be used to attack law abiding tax payers. And to be used maliciously against Oregonians. Laws currently exist to address dangerous individuals.
