Follow Up Flag: Follow up
Flag Status: Flagged

I am writing to support HB 4029 and protections for the Deschutes River and other state scenic waterways.

Sustainable recreation and wildlife protection on the Deschutes River should and could be balanced by finding an alternative route to connect trails that doesn't require weakening river protections.

Our public lands are under attack from extractive industries and the Trump administration. Oregon needs to stand firm in protecting our rivers and public lands.

Thank you.
