To all it may concern,

I write to you as a concerned Oregonian and with respect to HB 4029.

The proposed location for this bridge is in exactly wrong place and bridge proponents seem intent on pushing it through anyway.

I urge you to SUPPORT HB 4029, and protect the Deschutes River while finding an alternate location for connecting trails.

I support HB 4029 and protections for the Deschutes River and other state scenic Oregon waterways.

In this time when public lands are under attack from our current administration and extractive industries, Oregon should stand firm in protecting our rivers and public lands.

Thank you and best regards,

Ilse Singer
