Subject: Stopping the Bend and Park bridge over the Deschutes River

Follow Up Flag: Follow up
Flag Status: Flagged

Please do not pass the bill that would ban the Bend&Park bridge over the Deschutes River. The fallacious environmental reason for doing so has clearly been shown to be without merits. This is an effort by rich land owners living nearby, to prevent Bend residents to have easy access to a wonderful trail system in a very scenic area that belongs to everybody and not to them only!

Thank you

Michel Bayard
