Subject: HB 4029 opposition

Hello,

I am opposed to HB 4029 banning a bridge across the Deschutes. As a homeowner in the neighborhood I welcome the chance to enjoy more of the river with easier access. And I do not mind the extra traffic or people this will bring to the neighborhood. Many people live here exactly so we can quickly and easily access recreation. I urge you to maintain Bend's unique culture and vote no on HB 4029.

Thank you,
Lauren & Rob Del Mar
