

To whom it may concern-

How dare you propose such a thing. Leaving the fate of ones rights protected by the Constitution to the judgement of ones ex wife girlfriend etc. I am 40 years old and happily married, but 2 of my exes have gotten into drugs and now have criminal records. They have in the past tried to extort money out of me to fuel their habits. AND YOU THINK THIS IS A GOOD IDEA TO PUT MY FATE OR THE FATE OF MY FAMILY AT RISK!!!! I am the protector of my family , and firearms are a big part of being able to protect the by any means necessary. I am a law abiding citizen and should not have my fate in your or any other liberal tide pod eating, safe space needing , baby killing jackasses hands.

Best Regards,

Matt
