Subject: Support SB 1508; Oppose SB 1541

Follow Up Flag: Follow up
Flag Status: Flagged

I am writing you today as an Oregon citizen for the past 15 years.

I oppose SB 1541 and I hope you will too! I do not want to see DEQ stripped of its authority. I support the Cleaner Air Oregon rules, and want them to represent health-based standards.

Also, I supposed 1508 to fund DEQ adequately enough to do its job and protect Oregonian's health!

Thank you,
Natalie Bennon
