(b) The student may not be automatically excused from completing course assignments due during the period the student serves on active duty.

(c) A letter grade or a grade of pass may be awarded only if, in the opinion of the teacher of the course, the student completes sufficient work and demonstrates sufficient progress toward meeting course requirements to justify the grade.

(c) Course sessions the student misses due to active duty or medical treatment shall be counted as excused absences and may not adversely impact the student's grade for the course or rank in the student's class.
