

HOUSING AUTHORITIES ARE THE LARGEST PROVIDERS OF AFFORDABLE HOUSING IN OREGON.

Mission Statement: HAO advocates for policies and resources that create safe, stable housing options for all Oregonians.

ENSURING ALL OREGONIANS HAVE A PLACE TO CALL HOME IS THE FOUNDATION FOR STRONG COMMUNITIES.

There's a housing crisis in Oregon.

The private market is not meeting our state's housing needs. Over half of Oregonians are housing burdened, meaning they're one unexpected rent increase, car repair or medical emergency away from a financial crisis.

From the preschool teacher to the chronically homeless veteran, housing authorities help Oregonians in all communities find a safe place to call home.

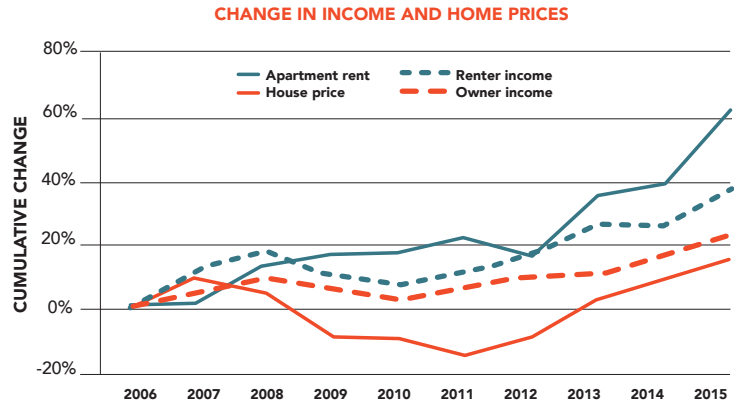

We Know That:

- Our kids do better in school when they have a stable place to call home.
- A home that is safe and affordable improves a family's health.
- Our businesses thrive when employees can afford a home near where they work.

INCOME VS HOUSING

RENTERS IN PARTICULAR ARE FEELING THE CRUNCH.

Source Multifamily NW, RMLS, U.S. Census Bureau, Johnson Economics

Statewide, one in four Oregonians pays more than half of their income towards their housing costs. In the four county region of Clackamas, Clark, Multnomah and Washington counties, all housing prices in the region have been rising for years, but rents have risen more. Since 2006, rents are up 63 percent. But that's only part of the story. There's also the question of what people make. Renters incomes have risen just 39 percent in the last 10 years.
