Subject: Opposition to HB 2351
Date: Friday, February 8, 2019 11:10:50 AM

Hello,

I am a Willamette river homeowner near Butteville Oregon and I am writing in opposition to HB 2351.

I believe there has already been great work done on regulating this waterway and a good plan that can work for everyone is in place.

I am extremely opposed to any further regulation of boating on the Willamette River.

Sincerely,

Kevin Klupenger
