Joint Committee on Carbon Reduction

Sean Murphy, Committee Assistant

sean.murphy@oregonlegislature.gov

To the Committee,

I want to stand strongly against of **HB2020**, asking for :

Establishment of Carbon Policy Office within  
Oregon Department of Administrative Services and  
directs Director of Carbon Policy Office to adopt Oregon Climate Action Program by rule

If government operates at the consent of the governed, as I have been taught, this member of the governed does not offer consent. I happen to like carbon because it is the food of our plant-based food..

I would like to keep the fruits of my production, if you don't mind. The fat, juicy fruit grown better with carbon dioxide.

I strongly stand in OPPOSITION of this HB2020.

Best Regards,

Karen Darnell
