Support HB27690 / -1 Amendments

- ✓ HB2769 is the result of three years of discussions, negotiations, and compromise
- ✓ The bill allows public agencies, including cities, to use accepted business practices in their efforts to contract for services
- ✓ Using best practices, cities and others will now be able to develop a short list of the most highly qualified bidders for a project, and only then compare pricing information
- ✓ This will give our public agencies the opportunity to seek both quality and value for their residents and taxpayers
- ✓ Our voters are asking us to be good stewards of taxpayer dollars, and HB2769 is a balanced method to ensure that we address those concerns
- ✓ COCO Supports HB 2769 with the -1 Amendment
