Subject: Support for House Bill 3350
Date: Sunday, June 16, 2019 7:48:16 AM

Hello,

I am writing to express my support for House Bill 3350, which bans the sale and use of two-cycle gas leaf blowers.

Two-cycle gas leaf blowers cause environmental and public health problems. There is noise pollution and toxic exhaust that sickens people and sickens our environment. The operation gas leaf blowers damages our quality of life and our peace of mind.

Thank you,
Brooke Latzke-Davis
