## A BILL FOR AN ACT

1  
2 Relating to motorboats; amending ORS 830.175.

3 **Be It Enacted by the People of the State of Oregon:**

4 **SECTION 1.** ORS 830.175 is amended to read:

5 830.175. (1) The State Marine Board, upon consideration of the size of a body of water and  
6 traffic conditions, may make special regulations consistent with the safety and the property rights  
7 of the public or when traffic conditions become such as to create excessive congestion, relating to  
8 the operation of boats in any waters within the territorial limits of any political subdivision of this  
9 state. The regulations may include, but need not be limited to, the establishment of designated  
10 speeds, the prohibition of the use of motorboats and the designation of areas and times for testing  
11 racing motorboats.

12 (2) The governing body of a political subdivision of this state may apply to the board for special  
13 regulations relating to the designation of moorage areas on lakes or reservoirs which are under the  
14 jurisdiction of a public agency, or to the operation of boats on the waters within the territorial  
15 limits of the political subdivision. Within a reasonable time, the board shall act upon the application  
16 in the manner provided in subsection (1) of this section. When special regulations have been estab-  
17 lished within a political subdivision in accordance with this subsection, the governing body shall  
18 establish and maintain the navigational markers prescribed by the board.

19 (3) The board may make special regulations relating to the operation of boats, including the  
20 establishment of designated speeds and prohibition of the use of motorboats for the protection of  
21 game and game fish at the request of the State Fish and Wildlife Commission, or for carrying out  
22 the provisions of the federal Wild and Scenic Rivers Act, Public Law 90-542, and the Oregon Scenic  
23 Waterways Act, ORS 390.805 to 390.925. Action necessary to implement this section, including but  
24 not limited to the operation and manner of operation of boats, shall be by a permit system initiated  
25 by the board.

26 (4) **The board may make special regulations relating to the operation of boats within the**  
27 **Willamette River Greenway, including the establishment of designated speeds or other**  
28 **methods to manage boat wake energy, as may be needed for the protection of the shoreline,**  
29 **public and private property, fish and wildlife habitat and vegetation. When adopting regu-**  
30 **lations under this subsection, the board shall take into consideration the plan approved for**  
31 **the Willamette River Greenway under ORS 390.310 to 390.368 and the statewide land use**

**NOTE:** Matter in **boldfaced** type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted. New sections are in **boldfaced** type.

1 **planning goals and guidelines adopted by the Land Conservation and Development Commis-**  
2 **sion pertaining to the Willamette River Greenway.**

3       [~~4~~] **(5)** The board may designate certain rivers or sections of rivers as hazardous. In making  
4 such designations, the board may consider recommendations of guide associations incorporated in  
5 this state.

6       [~~5~~] **(6)** Regulations regarding operation of boats pursuant to this section shall be adopted in  
7 accordance with the provisions of ORS chapter 183.

8       [~~6~~] **(7)** Any speeds in excess of the speeds designated by the board, as provided in this section,  
9 shall be prima facie evidence of the violation of ORS 830.315.
