22 **tenance or construction and lasts for more than 30 days.**

23 (3) **On or before January 1 of each year, any state agency that restricted, closed, opened**

**NOTE:** Matter in **boldfaced** type in an amended section is new; matter *[italic and bracketed]* is existing law to be omitted. New sections are in **boldfaced** type.

1 or reopened access to a public access site in the previous calendar year shall submit a report  
2 to the Legislative Assembly that describes:

3 (a) The number and location of restrictions or closures to public access sites in the pre-  
4 vious calendar year, including any restrictions or closures that were found to be exempt  
5 from public notice requirements under subsection (2)(b) of this section;

6 (b) The reasons for any restrictions or closures identified under paragraph (a) of this  
7 subsection;

8 (c) The number and location of public access sites that the agency opened in the previous  
9 calendar year;

10 (d) The number and location of public access sites that had been closed and that the  
11 agency reopened in the previous calendar year; and

12 (e) The number and location of public access sites where access had been restricted and  
13 where the agency restored access in the previous calendar year.

14 (4) Nothing in this section shall be construed to affect the jurisdiction or responsibility  
15 of any state agency with respect to the operation of boats, hunting and fishing seasons,  
16 method of take or limits for hunting and fishing, water pollution or fire control, except that  
17 a state agency shall endeavor to perform the agency's responsibilities in a manner that is  
18 consistent with the provisions of this section.

19 (5) State agencies may adopt rules to carry out the provisions of this section.

20 (6) This section may not be interpreted to:

21 (a) Restrict the federal navigational servitude; or

22 (b) Restrict or expand any rights a person has under existing common law.

23 **SECTION 2.** (1) As used in this section:

24 (a)(A) "Project" means a bridge project proposed for funding under a draft Statewide  
25 Transportation Improvement Program that consists of:

26 (i) Construction of a new bridge that crosses a floatable natural waterway; or

27 (ii) Improvements to an existing bridge that crosses a floatable natural waterway.

28 (B) "Project" does not mean maintenance of an existing bridge.

29 (b) "Public access" means public access to a floatable natural waterway.

30 (2) The Department of Transportation shall notify the Department of State Lands, the  
31 State Parks and Recreation Department and the State Marine Board when the Department  
32 of Transportation proposes a project for funding under a draft Statewide Transportation  
33 Improvement Program, unless:

34 (a) The project is part of a project on a limited access highway or ferry terminal; or

35 (b) The Department of Transportation determines that siting public access near the  
36 project is not feasible.

37 (3) After receiving notice from the Department of Transportation under subsection (2)  
38 of this section, the Department of State Lands, the State Parks and Recreation Department  
39 and the State Marine Board may propose changes to the project to enable public access and  
40 may provide the Department of Transportation with an estimate of:

41 (a) The availability of funding from sources other than the State Highway Fund for a  
42 public access site near the project;

43 (b) The likelihood and type of any potential public use of a public access site near the  
44 project; and

45 (c) Any impacts associated with siting public access near the project.

1       **(4) After receiving proposed changes to a project under subsection (3) of this section, the**  
2 **Department of Transportation shall consider:**

3       **(a) The proposed changes;**

4       **(b) Whether the proposed changes alter the purpose of or need for the project;**

5       **(c) The availability of funding from sources other than the State Highway Fund for a**  
6 **public access site near the project;**

7       **(d) The likelihood and type of any potential public use of a public access site near the**  
8 **project;**

9       **(e) Any impacts associated with siting public access near the project; and**

10       **(f) Any impacts on traffic, roadways or highway safety from siting public access near the**  
11 **project.**

12       **(5) To the greatest extent practicable, when constructing a project, the Department of**  
13 **Transportation may not adversely impact existing, lawful public access.**

14       **SECTION 3.** **Section 1 of this 2019 Act applies to restrictions or closures of public access**  
15 **sites proposed on or after the effective date of this 2019 Act.**

16       **SECTION 4.** **Section 2 of this 2019 Act applies to draft Statewide Transportation Im-**  
17 **provement Programs proposed after the effective date of this 2019 Act.**

18       **SECTION 5.** **This 2019 Act takes effect on the 91st day after the date on which the 2019**  
19 **regular session of the Eightieth Legislative Assembly adjourns sine die.**
